## Transcript

If you come to be the world's Savior, then why are you hiding away? Why aren't you seeking publicity on every occasion? And again, timing is everything. This was not God's time for Jesus to be revealed to that extent. That would happen at a different time.

But I think also, this is the world's philosophy for Jesus to seek publicity. And this is exactly what has crept into the churches today, that preachers seek publicity with all of their hearts. They will do anything they can to get more likes on their YouTubes, to get more likes on their Facebook, to get more subscribers.

And this is exactly what has crept into the churches today, that preachers seek publicity with all of their hearts.
