

# We See God's Purpose

by A.W. Tozer

---

*God's ultimate purpose is to gather all things together under one head, even Christ, and bring harmony and completion to all creation.*

**Scripture:** Ephesians 1:9

**Topics:** "God's Purpose", "Christ's Sovereignty"

---

## Description

A.W. Tozer emphasizes that all things in the universe derive their purpose and meaning from Christ, the eternal Son. He illustrates how God, like an architect, gathers materials to fulfill His divine design, ultimately uniting everything under Christ's headship. Tozer encourages believers to recognize that Jesus is not only the creator but also the redeemer and the one who harmonizes all things according to God's will. As Christians grow in faith, they should develop a deeper appreciation for God's eternal purpose. The sermon calls for a recognition of Christ's central role in the universe and in our lives.

## Transcript

We trust the Word of God-and the inspired revelation makes it plain to the believing Christian that all things in the universe have derived their form from Christ, the eternal Son! We are assured that even as an architect-builder gathers the necessary materials needed to fashion the structure he has designed, so God will ultimately gather all things together under one head, even Christ (Ephesians 1:9-10). Everything in the universe has received its meaning by the power of His word; each has maintained its place and order through Him. Jesus Christ is God creating! Jesus Christ is God redeeming! Jesus Christ is God completing and harmonizing!

Jesus Christ is God bringing together all things after the counsel of His own will!

I can only hope that as we grow and mature and delight in our faith we are beginning to gain a new appreciation of God's great eternal purpose!
