Nargavadi, Roman 12th Chapter, want the best food. Nargavadi, Roman 12th Chapter, everything you want best. Nargavadi, Roman 12th Chapter, but God will second best, third best, fourth best, tenth best.

Nargavadi, Roman 12th Chapter, but many are getting married. Nargavadi, Roman 12th Chapter, when they are married by money, Nargavadi, Roman 12th Chapter, the money comes first. Nargavadi, Roman

12th Chapter, when you go to Kerala, South India, Travancore, Nargavadi, Roman 12th Chapter, there they give dowry with a girl also.

Nargavadi, Roman 12th Chapter, sometimes very big amount. Nargavadi, Roman 12th Chapter, and many believers say, money comes first. Nargavadi, Roman 12th Chapter, they don't mind if she is black or fat.

Nargavadi, Roman 12th Chapter, they don't care if she is black or fat. Nargavadi, Roman 12th Chapter, but if they are offered twenty thousand rupees, Nargavadi, Roman 12th Chapter, yes, she is girl for me. Nargavadi, Roman 12th Chapter, so if the girl's father says, I will give you twenty thousand rupees, Nargavadi, Roman 12th Chapter, you are ready to get married.

Nargavadi, Roman 12th Chapter, if they give ten thousand, no, no, not for me. Nargavadi, Roman 12th Chapter, you find that curse in Kerala. Nargavadi, Roman 12th Chapter, and that's why you find many girls with mental breakdown.

Nargavadi, Roman 12th Chapter, they are not governed by God's will. Nargavadi, Roman 12th Chapter, they are deaf spiritually, they cannot hear the voice of God. You got to be born again, hear God's voice.

Without the divine life, you can't hear God's voice. Without the divine life, you can't hear God's voice. There are many believers who are deaf spiritually.

God was speaking to Parameshwar, Samvel, Samvel, Samvel, but the old man could not hear. Even the high priest, because of negligence and defilement, he became deaf spiritually. So, keep your ears sensitive for God's voice.

So, keep your ears sensitive for God's voice. Now, seventhly please, and third chapter, and verse five, Love all thy heart, and you will understand it. See five.

Trust in the Lord with all thy heart. Trust in the Lord with all thy heart. That is your seventh beautiful faith.

Without faith, you can't find God's will. Without faith, you can't find God's will. Eighthly, lean not unto thy own understanding.

Don't depend upon your own ordinary natural human wisdom to find God's will. You require divine wisdom. As you are born again, the Lord is himself become my divine wisdom.

As you are born again, the Lord is himself become my divine wisdom. Now, further please, verse six, In all thy ways acknowledge him, and he shall direct thy path. In all thy ways acknowledge him.

That means go to God every day for every matter, every problem. If you only go openly, then you won't hear God's voice. Even for small things you pray.

Before you spend your money, before going anywhere, before making any plan, pray, Lord, teach me, show me thy heavenly plan. Before you spend your money, before going anywhere, pray, Lord, teach me, show me thy heavenly plan. In all thy ways acknowledge him.

In all thy ways acknowledge him. The book of Isaiah, chapter thirty. The book of Isaiah, chapter thirty.

Verse twenty-one. Verse twenty-one. Daniel shall hear what the Holy Spirit is saying.

This is the way. Walk in it, into the right hand and the left hand. Verse twenty-one.

Was the word that is on your back written in your ears? This is the way. Walk in it, into the right hand and the left hand. Verse twenty-one.

Take heed to timely warning the Lord will give you. Verse twenty-two. As soon as the Lord gives you the warning, You're about to take a wrong turn, ain't you? There will come a voice of God.

Don't go that way. Be careful, be careful. Don't go that way.

This is the way of genius. And this is the way. Follow it.

That means wait patiently till God gives a clear guidance. Don't be impatient in finding God's will. Just some time.

You might have to wait one week or more even. Now we come to the third point. How to be sure of God's will.

We have seen the importance of finding God's will. We have seen the condition to be fulfilled to find God's will. Now we come to the evidences or the proofs of God's will.

The book of Isaiah again. And chapter 32. Verse 17.

And the work of righteousness shall be peace. And the effect of righteousness, quietness and assurance forever. That means world peace.

Hebrews chapter 13. Hebrews chapter 13, psalm 20. Hebrews chapter 13, psalm 20.

Now the God of peace, they're brought again from the dead. Our Lord, yes. The great shepherd of the sheep.

To be beloved of the covenant. Make you perfect in every good work. Do His will.

Work in every wealthy site. To be glorified. To be glorified forever.

To be glorified forever. You divide these two verses into seven parts. You have these seven evidences.

Are the proofs of God's will. The first fragment, God of peace. That whenever God does speak to you concerning any matter.

And show His will to you. There must be in your spirit. Ever increasing, multiplying spiritual peace.

Not an ordinary peace. It should be a perfect peace. Great peace.

Peace like a river. Peace with multiplying. You got to wait upon the Lord again and again.

Till that inward peace becomes very, very strong in you. You go and say, Lord, am I in thy will? Please assure me. I assure you.

Then wait patiently. Then pray a second time, a third time. Like you go on praying early morning or afterwards.

Even in the middle of the night. I found the early morning was the best time. To find God's will.

When the mind is so fresh and clear. Now Lord, I assure thee. I am prepared to die to my will.

You show me thy will. I will obey thee. And do so joyfully.

Then you wait. Again eat the portion. Then you go on doing it.

Till you find your soul full of divine peace. You know. Then secondly.

Then brought again from the dead. The power of production. When you are God's will.

Then the power should be abundantly and fully manifested in you and through you. And because Paul was in God's will. Wherever he went.

Whether in jail or outside. God could use him. Fugily.

So Paul was in the will of God. Whether he was in jail or outside. God used him fully.

When you are God's will. Then the power of production should be abundantly and fully manifested in you and through you. You have to say by faith.

God I want thy power of production in fullness. And don't allow me to make any plan. With less than thy power in my life.

Then thirdly. Our Lord Jesus. His Lordship must be acknowledged.

So for example. There are some people who say. They have heard the call for God's service.

But when they want money. They start begging. Wherever they go.

They start giving hints. They have to give so many heroes. So many lads to get money.

So how much indication. They have to give. So many reports.

The same object. God not like that. It is unto God.

So this is a great insult to God. If you keep asking for his service. Even God will.

He will supply all your needs. God would say. Philippians 4.19 Philippians 4.15 God shall supply all your needs.

Not by begging. Not by weeping. Not by report or letter.

Not by photos. By trust. By trust in God.

Any natural heroes. He will supply all your needs. No need for you to beg.

Not looking miserable with torn shoes. But if you put on torn shoes. It will hint for more money.

Come under his lordship. He will take away every worry. Every anxiety.

Now further please. The great shepherd of the sheep. The Bible is the pastor.

Largest is the shepherd. Psalm 23. Psalm 23.

The Lord is my shepherd. The Lord is my shepherd. He makes me lie down in the field pasture.

He lifts me to the water. He will lead you to a portion of scripture. To confirm his will.

He will lead you to a portion of scripture. Read your Bible slowly and fearfully. Ask the Lord to confirm his will to his word day by day.

Either by a fragment or by a full portion. Ask the Lord to confirm his will to his word day by day. For that purpose.

You have to be very systematic in Bible study. Be slowly and carefully. Fifthly.

The blood of the everlasting covenant. Blood for cleansing. In the Hebrew language.

Hebrews 9.14. Our guilty conscience is cleansed by the blood. When you have God's will. He will free you from every inward.

Unworthy. Unbecoming intention or motive. Our hearts are destructive.

Sometimes you see in the heart greed for money. Not for power. And sometimes you are troubled by your lust for desire.

Or you are troubled by hatred or animosity. To be in God's will. You must be freed completely.

From all these things by the blood. Of Jesus Christ. And say by faith.

Take me from my heart. Every unworthy. Unbecoming thought.

Which is against my nature and character. Take me from my heart. Sixthly.

Make you perfect in every good work. To do it with will. Longing to be governed completely in God's will.

Some want to find God's will about their marriage. Some want to find God's will about their marriage. Out of much prayer they have found God's will.

Out of much prayer they have found God's will. And they won't bother to find God's plan for marriage. And they want a very grand worldly function.

Only for the choice they want God's will. Nothing else. Around the world they want to be worldly people.

You got to be willing. To be controlled completely all the time. By pure God.

Not only for one thing. You got to find God's will for everything. Refuse to take any step.

Without sure of God's will. Refuse to take any step. Without sure of God's will.

Make you perfect in every good work. Yes. Yes.

Yes. You apply these seven tests day by day, and you have become very sensitive, now some of you have got a motor car. Those who are drivers of experience, when they hear a strange sound, they stop.

Something is wrong in my car engine. They will stop and check it out. And rectify the mistake.

And they are safe from money losses. There are new drivers. They do not drive until the car breaks down.

Do not wait till that time. Keep your ears sensitive. When you hear some strange sound, stop.

Now we have shown you from God, what the necessity, and the importance, and the value of finding God's will. Now before we finish, I say very lovingly to those who are not born again. You will never be able to find God's will, even if you pray for many months, until you are born again.

It is the privilege of those who have received divine life. By divine life, we hear divine voice. That is why we request you, now receive the gift of everlasting life.

Do not remain in your dead condition too long. Before God, you are dead and deaf completely. This evening we offer you the gift of everlasting life.

It cannot be received in an impure heart. It is the most pure gift. Even freely.

We got to have a pure heart. And no human effort can purify your heart. It is so defiled and so corrupt.

Lord Jesus Christ undertakes for both. To cleanse you by the blood of every defilement. When you call upon him.

O Lord, forgive me. Have mercy upon me and cleanse me. Pour thy pure life into my spirit.

And now speak with me. Lead me thy way. Lead me in thy way everlasting.

This very evening the gift can be yours. This very evening the gift can be yours. It is a wonderful gift.

It is a wonderful experience to hear the voice of God. Day by day the voice comes. Don't go right side.

Don't go left side. You be conscious of God's hand holding your hand. Carry you through triumphantly every dark valley.

Come unto him. Don't remain any longer in your old condition of sin and misery and defeat. Don't remain any longer in your old condition of sin and misery and defeat.

Then God will govern you in every small thing. As many as are led by the spirit of God, they are the sons of God. As many as are led by the spirit of God, they are the sons of God.

Now we are going to pray. Let us pray. He has asked them, I told you and you believe not.

The work that I do in my father's name, they bear witness on me. He has asked them, I told you and you believe not. The work that I do in my father's name, they bear witness on me.

Now these people have seen not only one, but many miracles which have been performed before them in almost all parts of Palestine. Now these people have seen not only one, but many miracles which have been performed before them in almost all parts of Palestine. And still they refuse to believe Him.

And still they refuse to believe Him. And they are going to show how great their blindness was. And they are going to show how great their blindness was.

Spiritual blindness is much more pathetic than the other blindness. And even though a man may have any amount of knowledge of the scripture, if the heaven and God, their inward eyes opened, Then they remain completely foolish in the Seeds of God. So in order to understand the Seeds of God, we have to become the sheep of Lord Jesus Christ.

But we believe not, because you are not my sheep, as I said unto you. And I was saying, Lord, this warning, this chapter tells us the secret of the sheep. And I was using a very simple parable to make that quite clear to us.

And people who are living in the country side are very familiar with the sheep and the shepherd. And I was saying, how the sheep is able to recognize the voice of the shepherd. And the sheep is entirely depending upon the voice of everything.

For the daily pasture, for the daily need and the night production, everything depends upon that. The shepherd keeps on calling by name. And then the sheep had to follow the shepherd.

From pasture to pasture. Again be brought back by the shepherd to a very safe place for night. Again brought out the next morning.

Again brought back. Now see how almost every part of the day and night the sheep is depending upon the shepherd. When I was born again, I began to read the Bible for many hours at a stretch.

And God took away from my heart the desire for all the worldly pleasures. But I was not satisfied with my spiritual life. I began to pray for a better life.

I thought by having some extraordinary supernatural experience of some kind, I would give him a better life. Well, by seeing some light or some dream or some vision or some other nature. They went on for a long time.

One whole year. One night I was praying. And I finished my prayer.

I saw some light coming in the room. I began to pray. Now it became more bright, more bright, more bright.

I was satisfied. I looked up and saw the same light. Again I prayed.

Lord, make it more bright and more bright. Lord, make this light more bright. I will be grateful to you.

When I turned around, I saw the light of the moon. I thought it was some divine light. Again I prayed one night.

Then Lord spoke to me. And said to me, Tell me, how are your sins forgiven? Tell me, how are your sins forgiven? Lord, I was the greatest sinner and I believed that you shed your blood for me. And that is why I

was forgiven.

Then Lord said to me, Now you believe you are the weakest person living and you have my power. And like a flash I got the idea. Now I have to lay hold of my Lord for everything.

I have to depend upon him for every small thing I do. I have to depend upon him for every small thing. And believe, he will never fail me.

And that will give you the power. When we are totally, completely, entirely, wholly, solely, are dependable of everything. Before doing anything, before going anywhere, before making any plan, get Lord's permission.

My sheep hear my voice, and I know them, and they follow me. And my sheep hear my voice, and I know them, and they follow me. They are like the secret of my life.

My sheep hear my voice. Not only occasionally, but many times a day. See, as shepherd goes on whistling, the sheep goes on following in different places.

Now sometimes the shepherd has to go to four, five, six, seven pastures on the same day. And the sheep must follow. Now are you able to hear the voice of Lord Jesus Christ? Are you able to hear the voice of Lord Jesus Christ like that? And does it give you joy when you hear the voice and follow him? And you will be very happy when you hear his voice and follow him.

Then you know what life is. Then you will know what life is. One simple verse is the secret of our life.

Without any question about surrender, we follow our Lord. When he says stop, we stop. When he says get up, we get up.

When he says get up, we get up. When the Lord wakes you up in the morning, you begin to argue with him. Again early morning the singing party came.

And my neighbor was snoring like a happy pig next to me. And my neighbor was snoring like a happy pig next to me. Lord, I had no sleep last night.

Lord, let me sleep half an hour more. Lord, let me sleep half an hour more. And that's how you also miss me.

And that's how you also miss me. He does wake us up, but we don't obey him. He wakes us up, but we don't obey him.

The Lord God has given me the tongue of the learned. The Lord God has given me the tongue of the learned. I should know how to speak.

A word is given to him that is very awakesness morning by morning. Awakesness by ear. Awakesness by ear.

That is quite true, it is satyame, but when we don't obey him, he cannot speak to us. Whenever he calls you, listen to him, don't say I am tired, I have a headache, I have a stomach ache, I have a knee ache, any ache. And whatever he says, do it.

Then you enjoy your life. If you want him able to keep us from falling and present us for that, by the service of the Lord.
