Transcript

Christmas, and all is dark. The world situation is serious. Family relationships may be darkened.

And perhaps night has fallen on your heart. Approximately 700 years before the event, the prophet Isaiah saw in spirit the coming of the Christ child, and said, the people who walked in darkness have seen a great light. Those who dwelt in a land of deep darkness, on them has light shined.

Do not look at the darkness in you and around you. Look at the radiant sun, Jesus Christ, who will draw you into his kingdom of light. His light shines more brightly.

And his joy is greater than your greatest sorrow. Good bye, and God bless you all.
