Our God is Almighty God. All power on the earth and in heaven belongs to our God. And He wants to use my life, He wants to use your life.

And now say this to one another aloud. If the Lord can use Brother Yun, He can use you. Say this to one another in English.

If the Lord can use Brother Yun, and now continue to speak to one another, say like, Jesus will set you free. We are gathered, it's not worthless that we have gathered here tonight. There is no reference in the Bible that communism is going to take over.

It's written in my Bible that the glory of God will cover the earth like a cloud. And the Lord has not said that the world is going to be filled with idol worship. He is saying the world will be filled by His glory.

Hallelujah. China needs Jesus. The future of China belongs to Jesus Christ.

Central Asia and the Middle East need Jesus Christ. Jesus is calling disciples to go and transfer China and Central Asia and the Middle East. Do you want to be one of those? I have a burning prayer in my heart.

I pray that this Bible that has changed my life, I pray that the people of the Middle East, each and every one of them will have a new book in their hands, which is the New and Old Testament of Jesus Christ.

How many of you have already had the passion to become a disciple of Jesus, to surrender your life to serve Jesus? Amen. I will ask a very important question.

How many of you are already believers of Jesus? Can you raise your hand? You are already believers of Jesus. If you have come with a friend and you know that person is not really, really a follower of Jesus, Jesus loves you and He wants to change your life. Amen.

Let us all stand up together. I would like to invite my father-in-law, Moti Genshi, to come out. I would also like to invite the Blessed Mother of God, Lai Moshe, to come up and lead everyone, and Muzha, I don't know where you all come from, but let us all come together and pray for those who are willing to follow Jesus and become His disciples.

Those who want to become truly followers of Jesus. You have risen up for us. You will come again in the future.

You will come to our house with glory. Thank you for your grace. Tonight, through your Blessed Mother, Brother Yun, you have been a wonderful witness.

You have awakened Brother Yun. You have also awakened our brothers and sisters who are here. You have made use of Brother Yun.

You have also made use of our brothers and sisters who are here. May you be here to call on our young brothers and sisters. May you call on us to stand up, to call on each other, to be the workers of the times, to show the truth, to be the soldiers of Christ, to be the servants of the Father, to carry out your work, to carry out your mission, to carry out your work, to work hard, Every Muslim, every Muslim, they will read your Holy Word, the Holy Bible, oh, they will read it, and your Holy Spirit will speak to them, and they will see Jesus is the true Messiah, and Jesus is the only way to go to the God who created the whole universe, and they will love Jesus, and they will form the missionary teams to spread the gospel to many parts of this world.

Lord, you are going to call these people, even tonight, who are stretch our hands to use all of you as missionaries, or to just like our pastor, just share the testimony. When we pray, when you say, go to any place, Lord, we will obey, and we will go, because we are not going alone, because you go with us, oh, Lord Jesus. Oh, Lord, how your Holy Spirit use your servant, our brother Yun, to minister to thousands of souls.

Use us as well, Lord. In Jesus' name we pray, amen, amen, amen, hallelujah.
