When will these things be and what will be the sign of your coming and of the end of the age? What, what, what will show us? What will it be about society, about the world? What, what will the conditions be? What can we look forward to in a sense that will tell us that you are coming soon? Matthew chapter 24 beginning at verse 37. Now in answer to this question, what will be the sign of your coming and of the end of the age? But as the days of Noah were, so also will the coming of the son of man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage until the day that Noah entered the ark.

Now, now please eating and drinking and marrying and giving in marriage is not an evil thing. Really what he's, he's really speaking here is that society will just be carrying on as if there's a thousand years ahead of them. People will be completely, most people will be completely unaware of the day that they're living in.

They will not know that the end of all things has come upon them. And they did not know verse 39 until the flood came and took them all away. So also will the coming of the son of man be.

Then two men will be in the field. One will be taken and the other left. Two women will be grinding at the mill.

One will be taken and the other left watch. Therefore, for you do not know what hour your Lord is coming, but know this, that if the master of the house had known what hour the thief would come, he would have watched and not allowed his house to be broken into. Therefore, you also be ready for the son of man is coming at an hour that you do not expect.

Be ready, be ready. Jesus Christ is coming for his church at a time when many, many people are not going to be aware of it, not going to be ready for it.
