Transcript

Storm, the waves and the winds are against you. You're afraid that you're going to sink. In the fourth watch of the night, Jesus went to them walking on the sea.

When the disciples saw him walking on the sea, they were troubled and saying, it's a ghost, and they cried out for fear. But immediately Jesus spoke to them saying, be of good cheer, it is I, do not be afraid. And Peter answered him and said, Lord, if it's you, command me to come to you on the water.

And he said, come. And when Peter had come down out of the boat, he walked on the water to go to Jesus. When you get up and you begin to listen to him, you begin to let those prison doors open.

You begin to walk out of where you're not supposed to be and into where God has for you. Then all of a sudden you will find yourself empowered to walk where you never could before.
