## Transcript

The psalmist says many will see it and turn back to God. It's time for the church to rise. It's time for you and I to unfurl our banner and say God I trust you.

I don't care what anybody else says. I still trust you. I don't care what anybody else does.

I believe in the power of unity and I'm going back to what we left behind. Praise God and I'm going to believe for a spiritual awakening in this generation because let me tell you something folks, people are sick and tired of the sin in this country right now. They're tired.

They're tired. They've had enough of it.
