## Transcript

Jesus that the life of Jesus also might be manifested in our body. Caring about this understanding within us that Christ died for us, Christ rose from the dead, Christ triumphed over everything that will ever come against any of us. And yes we will be hard-pressed, we will be perplexed at times, we will be persecuted even struck down, but in the midst of these things the promise of God is we will not be crushed, will not be left in despair, will never be forsaken, and we will most certainly never be destroyed.

God has interwoven the very honor of his name in keeping us. Hallelujah. It's dishonoring to God if one of his children is overpowered because he has interwoven the honor of his name.

His promises to be our protector, our keeper, our provider.
