Transcript

What's going on in this world? Well, this world is launching its final rebellion against the lordship of Jesus Christ. It's always been in the heart of humankind to go its own way, to do its own thing, to craft its own rules of what's right and what's wrong. The essence and the nature of sin in the Garden of Eden is to actually rebel against God, but there's been a restraining force, a restraining power in the world against that.

Instituted, governed, carried by the Spirit of God, there has been a restrainer. One day, the scripture tells us, that the restraining hand of God will be lifted, and humankind will devolve into a depravity never ever seen on such a scale in all of history.
