## Transcript

Will you not praise God again? Will you not lift your voices again? Will you not glorify God again? Will you not let God touch your life the way he longs to again? Do you know the things that could be yours? Do you fully understand what God is willing to do in each one of your lives? I don't know about you, but no stone is taking away my praise of God. No stone is taking my place. I am going to lift my voice and praise the God of my creation.

I'm going to cry out for him. I'm going to cry out until he touches your life, until he sets you free, until you understand who he is and what he longs to do in your life. I will not be silent until this nation sees a spiritual awakening in its generation.
