## Description

Charles S. Price preaches about the imminent full restoration of apostolic gifts and the power of Pentecost before the return of the Lord. He emphasizes that God will pour out His power on those who are faithful, true, and fully consecrated to Him, performing miracles of healing and supernatural manifestations to touch even the hardest hearts. Price believes in a forthcoming outpouring of the latter rain, supported by both spiritual discernment and biblical evidence, encouraging his listeners to remain steadfast in God's hand for the wonderful things He has in store.

## Transcript

"Of one thing we are very sure. There will be a full restoration of the apostolic gifts and the full power of Pentecost before the coming of the Lord. To the faithful few who are true to God, to the overcomers, to them that place their all upon the altar of a full consecration, God will pour out in the fullest measure the power that was given to the disciples on the day the Church was born. We believe that there will be miracles of healing, supernatural manifestations of God's mighty power, that will break even the most calloused hearts. There will be another outpouring, this time a cloudburst of the latter rain. We not only feel it in our Spirit, but the Word of God corroborates what we feel.

Be true, my friends; keep tight hold of His hand.

God has some wonderful things in store for you."
