Transcript

The Word of God, the power of the Word of God. It says that the Word of God will grant us favor with God and with men. It says that the Word of God will give us life and peace.

It says that the Word of God will cause us to walk in straight paths. My Father's Word is forever settled in Heaven. My Father's Word is the power of authority.

My Father watches over His Word to perform it. Heaven and Earth will pass away and My Father's Word will never pass away. My Father's Word is the same yesterday, today, and forever.

My Father's Word is life to those that fight it and health to all the whole flesh. My Father's Word doesn't return void, thou accomplish what he desires, succeeding in the matter which he sent it. My Father's Word sanctifies me, renews my mind, separates me from the world in the righteous, and I rule and reign in life through the gift of righteousness and the grace of God, Jesus Christ.

I'm more than a conqueror in Jesus' name. The Word of God is living and powerful and active, and even stronger than a chopper and a sword. It can touch the internet, pierce us, and bring out all the suffering in our heart and in our mind.

Nothing in this world can do it, except Jesus and His Word. It's going to flow through the living words that He has given us as we begin to believe them. See, through the temptations in the wilderness, Satan said, Eat, turn the spoon to bread, and Jesus himself said, Not by the hand of the Bible, but by the hand of the Word, that proceeds from the mouth of God.

We need to understand, that the devil is here to bind us. To deceive us. And to keep us in our sins.

And the only thing that can set us free from this, is the truth of the Word of God. We need to count the cost, and we need to follow the love of the Word, and we need to believe it. It's the thing that will save us.

It's the Word of Jesus. It's His Word that will perform His work for us. It will cause us to overcome every hard way.

It will set you apart for the purpose of God.
