## Transcript

Walking in the spirit, I don't even know the Holy Ghost until God is in charge, until everything in my life, everything is under the direction and the government of the Holy Ghost. Because when God changed his name to Israel, the root word is God governs. God is in control.

And I wish I could have learned that when I was a younger preacher, that I would take everything to the Lord in prayer about my marriage, my children, name them, and pray for them, believe God for them, but to believe that the Holy Ghost is leading my life. I presume it's getting quiet because the Holy Spirit is speaking to us. I go home sometimes when I preach and I say, honey, everything was so quiet.

I don't know if they got it or not. It's probably what I'm gonna say tonight.
