

# The False Prophet

by Edgar Reich

---

*Edgar Reich's sermon warns against the deception of the False Prophet and the dangers of a one-world religion that undermines the truth of Christ.*

**Duration:** 26:07

**Scripture:** Revelation 13:12

**Topics:** "End Times", "False Prophets"

---

## Description

This sermon delves into the prophetic descriptions of the false prophet and the Antichrist as depicted in Revelation chapter 13, highlighting the deceptive nature of a world religious leader who will lead many astray by promoting a one-world religion. The sermon warns about the coming global control through a mark or chip, emphasizing the eternal consequences of worshiping the beast and receiving his mark. It concludes with a call to repentance, acceptance of Jesus Christ, and a reminder of God's mercy and the hope of eternal life.

---

## Transcript

Now, Revelation chapter 13, verse 11 is the next verse. And now we have the second beast coming in Revelation 13. So the first beast is a man, he is anti-Christ.

And now we have the second beast in Revelation chapter 13, verse 11. And there it says, and I beheld another beast coming up out of the earth, and he had two horns like a lamb, and he spake as a dragon. Now here we have another beast coming out of the earth in Revelation chapter 19, verse 20.

He's called the false prophet. He comes as a person, gentle as a lamb. He speaks soft words, he speaks words of comfort.

He is a world religious leader. He will combine Christianity, or try to combine Christianity with all of the faith in the world, like Islam and Buddhism and Hinduism, and bring in one world religion. He comes with two horns, and before when we studied the first part with the horns, the horns represented leadership and power.

And so he will perhaps be the leader of the World Council of Churches, the leader of the Catholic Church, a leader that will also be accepted by Islam. We don't know precisely how this will play out, but certainly we know that the current pope is vying for unity with a false religion, he'll have it. It is a false religion

because Islam does not say that Christ is the way.

Islam does not say that Jesus is the one that gives us peace with God. So we know that Islam is another religion, but now world leaders are telling us these religions are equal or the same. And beloved, that is a horrible lie from Satan, and it told us before that the dragon would infiltrate both world leaders, and he will speak lies through both.

So he comes in the disguise of peace and as a lamb, but his words will be from Satan with lies and deception. But now in Revelation chapter 13, verse 12, it says, and he exercises all the power of the first beast before him, and he causes the earth and them which dwell therein to worship the first beast whose deadly wound was healed. So this second world ruler, the false prophet, is also given demonic powers of the Antichrist in the presence of Antichrist.

Now this false prophet will require the world, the world to worship Antichrist as God. And now we have this diabolical trinity where the dragon is Satan who represents the father, and Antichrist is represented here as the son, and the false prophet imitates the Holy Spirit. Now let us go on to Revelation chapter 13, verse 13, and it says, and he doeth great wonders so that he maketh fire come down from heaven on the earth in the sight of man.

This false prophet, this false religious leader, if you can imagine Elijah in the old days, and suppose fire is called down from heaven, and this false prophet stands in the place of leadership, and he says, fire come down from heaven, the whole world will believe. When CNN shows fire come down from heaven, when all of the news stations will bring it, the whole world will be deceived, beloved. And so we must remain strong, we must be prepared for this, we must understand that this will happen.

And the very elect would be deceived, says Scripture, unless God has sealed us with himself so that we will be able to go through this period of time although we will face martyrdom. Now Revelation chapter 13, verse 14, and deceiveth them that dwell on the earth by the means of those miracles which he hath power to do in the sight of the beast, saying to them that dwell on the earth that they should make an image to the beast which had the wound by a sword and did live. So here in verse 14, it tells us that this false religious leader will perform miracles through an image, an image might be a statue, it could be a hologram, we don't know what this image will be, but it will be an image of this world leader.

And so here it says this image will be to Antichrist who was hurt by the sword, who came back to life, and now represents a deity that is given to us, a false deity on earth. Now the false prophet misleads the masses to think that Antichrist is God and worthy to be worshiped. He then causes the people on earth to build an image of Antichrist.

And again, we don't know what this image will look like, but then in verse 15 of Revelation 13, verse 15, it tells us that, and he had power, this is the false prophet, the false world religious leader. It's gonna be given power to give life unto the image of the beast, that the image of the beast should both speak and cause that as many as would not worship the image of the beast should be killed. So under the power of Satan, the false prophet, this coming world religious leader, he will have the ability to say to this image, speak and breathe, and it will do so.

And then worldwide worship is implemented of Antichrist and those who refuse to worship this world leader will be martyred, they will be killed. In early Christianity, those not worshiping the Roman gods or Roman emperors were martyred, and this will happen again. Now, before we finish the remaining verses

in chapter 13 of the book of Revelation, I would like to address the current religious world leadership that is coming out of Rome.

And beloved, we have to be made aware of this because there is great, great deception that is currently occurring. Now, if the pope were to be this religious false leader, and he could be, and he brings down fire from heaven, everyone will believe him, beloved. He is gentle, he is kind like a lamb, he says wonderful, forgiving things.

He says things that the world loves, yet he's saying words from Satan, they're lies. Let us examine some of the sayings that sound true but are deceptions. Now, in a Catholic blog, he agreed that the Catholic Christians have the same God as Muslims do, and this is a great, great lie from Satan, beloved, because God will not accept or justify any other god.

As you read the whole of the Old Testament, any time that the Jewish nation went to another god, there were judgments upon judgments upon judgments. And so this is a great lie. Then it says, Pope Francis recognizes that Muslims worship the one living and merciful God and call upon him in prayer.

Muslims do not worship the only true God of Abraham, Isaac, and Jacob, they worship Allah. You see, our true God says, this is my beloved son in whom I'm well-pleased, that is Jesus Christ. Listen to him, hear him, he's the way, he's the reconciliation between God and man.

Now, Pope Francis stated that all people who do good works, including atheists, are going to heaven. This is a blasphemous lie from Satan through his mouth, because Jesus as a mediator between God and man is no longer needed here. If you can work yourself to heaven, then you don't need Jesus.

And it's a lie, and by taking Jesus away, the Pope is sending billions upon billions of people to hell. He's saying to them, you can work yourself to heaven, don't worry, you're gonna make it. Doesn't matter if you sin, doesn't matter what you believe.

God is a all-loving God. Don't listen to these Christians. That is what is being done now, beloved, and the whole world loves it, and no one exposes it, beloved.

Pope Francis is working on a one-world religion to combine all faith, and again, there are gods of wood and stone that he combines under his thinking, and God says, no, no, no, I am the great I am, I am God, there's none other beside me. And the first commandment says, thou shalt have no other gods before me. And so, beloved, if we want to remain true to the word of God, we must follow it, we must believe it, and let us not be deceived by messages.

And then Pope Francis also told followers that the Quran and the Holy Bible are the same in value, they're not the same in value. In our Bible, it says that Jesus is the way, the truth, and the life, as the way to God the Father. The Quran tells Muslims to kill unbelievers.

In the Bible, we are to love our enemies, bless them, pray for them, and do good for them. I know that Christians have not always done that through the ages, they have killed, and that was wrong. But the Bible is very clear that we are to love our enemies.

In December 2015, Pope Francis kissed the Quran. In St. Patrick's Cathedral, the Pope said to Muslims, I unite myself with you all, a prayer to the Almighty God, we are all merciful. And then he permitted also Islamic prayers and readings from the Quran in the Vatican.

In St. Patrick's Cathedral, the Pope also said, we need to remember that we are followers of Jesus Christ, and his life, humanly speaking, ended in failure, the failure of the cross. So, Beloved, he did not explain the statement, or what it meant, but for a person that does not know Christianity, interpreted the way he said it, and it's a terrible, terrible lie. So, Pope Francis entered the Blue Mosque in Istanbul, Turkey, where he took off his shoes and bowed towards Mecca, and made his prayer.

This is strictly forbidden by God. You do not worship other false gods. Now, Pope Francis has also said, in the meantime, fundamental Christians, those that believe the Bible, and that Jesus is the only way, are dangerous.

Just recently, the Pope referred to Christian fundamentalism as a sickness, as a sickness. So, we do not know whether the current Pope is the false prophet, but he's certainly preparing the way for world religious leadership. And so, the Pope attempts to combine the world in peace by combining gods, and he is trying that very hard, and the world loves it, because he says, God loves everyone, and there is peace my way.

By setting aside Jesus and the cross, the mediator between God and man, thousands, hundreds of thousands, millions, hundreds of millions, maybe even billions, are being sent to hell, if you believe that word. In John chapter three, verse 36, it says, he who believes in the Son has everlasting life, and he who does not believe the Son shall not see life, but the wrath of God abides on him. Allah does not have a son, and he does not acknowledge Jesus as a mediator between God and man.

Now, I love Muslim people, I really do, and I can prove it. I've had Muslim people stay at my place. I paid for the funeral of a Muslim who died from a work accident, but I cannot accept their faith.

I also signed a lease for a Muslim person to help a Muslim person. So, beloved, I love the persons, but I do not need to follow false beliefs, and so I'm helping those people to understand the truth, because the truth will set us free, and for me and my house, I will serve the Lord. So, let us now turn to the remaining verses of Revelation chapter 13, and we go into verse 16, and there it says, and he causes all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads.

So, the world today has technology to control all mankind, with the global positioning system, and with a computer chip. The global positioning system can find any animal in the world that has a chip implanted. It is said that one major computer company has created over seven billion computer chips to make ready for everyone in the world to receive a mark.

In Revelation chapter 13, verse 17, and that's the next verse, it tells us that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. So, the world leader, Antichrist, and the false prophet, they will implement global control through the mark, or computer chip, over every person on the earth. No one can buy or sell.

You want to go to the food store and buy food? You can no longer do so. You want to get your paycheck? Unless you have a chip, you cannot get your paycheck. The people who refuse to worship, and refuse the chip, will be killed, says Revelation chapter 20, verse four.

And then in Revelation chapter 13, verse 18, it says, here's wisdom, let him that has understanding count the number of the beast, for it is the number of a man, and his number is 600, three score and six. The original language could also be translated to equal the sum of six, six, six, six. Beloved, there's a solemn warning in Revelation chapter 14, verses nine and 10, and I read this verse, I'll let you interpret it, there

are now many pastors who say this verse is not meaning what it says, but I'll let you interpret it.

In Revelation chapter 14, nine through 10, it says, that a third angel followed them, saying with a loud voice, if anyone worships the beast in his image, and receives his mark on his forehead, or on his hand, he himself shall also drink of the wine of the wrath of God, which is poured out in full strength into the cup of his indignation. He shall be, note this, he shall be tormented with fire and brimstone, in the presence of the holy angels, and in the presence of the Lamb. Beloved, this coming world leader is a reality, the coming religious leader is a reality, the world is now politically divided, in Europe and other parts of the world, they just called for world leadership, so that Trump no longer could exercise his leadership in America, and there's a great push for a global solution through a world leader, and yet Jesus says to us, in Matthew chapter 10, verse 28, and do not fear those who kill the body, but cannot kill the soul, but rather fear him who is able to destroy both soul and body in hell.

And now, beloved, you are of God, little children, and have overcome them, because he who is in you is greater than he who is in the world, and he who is in you is Christ Jesus, after you have become a child of God, after you have made peace with God, asking for forgiveness of your sins, and asking Jesus to save you. And so for anyone in the audience here, or for anyone who watches this video, we invite you to make things right with God, because this is an eternal decision I'm talking about, it is not a temporary decision, the temporary decision is to avoid becoming a Christian, and then saying I'm going to go the road with everyone in the world at that particular time point, and if it's hell, it means hell, but that is foolishness on your part, because you have no idea what you're talking about, you have no idea what hell is like, you have no idea what it means for eternity, it's foolishness and stubbornness on your part. And so beloved, Jesus Christ is returning soon, there is wonderful good news, and the good news is that this world leader in Antichrist, and the false prophet, they will be thrown into the lake of fire to burn forever.

Now for us, God sent his son Jesus, to die for you and for me, that we might live, the Lord Jesus Christ requires us to repent of our sin, he invites us freely to accept the gift of salvation, so you can do so today, you can repent in prayer for your sins, and you ask Jesus Christ in prayer to save you, if you do not repent and accept the free gift of God, then I'm sorry there's no hope for you. And so God said he's not willing that anyone should perish, but that all come to repentance, this is something that God has said himself, beloved. And so I beg you, I beg you, I beg you, do not make a foolish, stubborn decision on your own, do not go your own way, do not believe false lies, take this Bible, take this book, study it for yourself, understand it, know what is truth, because the truth will set you free.

And so do not be deceived by a coming world leader, do not be deceived by a world religious leader, would you bow your head even as you are, here and at home, and let us pray to see the Lord. And so heavenly Father, we thank you so much for your mercy, for your incredible provision for us, for eternal life, through Jesus Christ our Lord. And you said, Father, the wages of sin is death, but the gift of God is eternal life, through Jesus Christ the Lord.

Your holy son, we thank you, we praise you, that there is a future and a hope. And Father, I pray that anyone that is here would in their heart reach out to Christ right now and ask for forgiveness. I pray that anyone watching this video would bow their head and ask Christ for forgiveness, and ask Christ, request Christ to save you, and Christ said he wants to do that, he will do so, and then give your life to him, and after you have done that, you will become a child of God.

And then however, God and the Lord Jesus expect you that you would follow him, start to read his word, to read the Bible, and to also start praying. So Father, help each one that is watching this video, help each one in this audience, Lord, that your son might be glorified in the lives of those that have listened to this message. So please be merciful to those that are here, be merciful to those that have listened.

And I thank you for personal mercy for me, for I am just a sinner saved by grace. I praise you, I glorify you, and I thank you that you have had mercy on me, helped me to live as a Christian should. And I pray this for all of my sisters and brothers here, and we ask for your help in this, we ask for the filling of the Holy Spirit for the times ahead are evil, and we need your Holy Spirit, Heavenly Father, and in Luke 11, 13, you said, if we ask that you would give, and so we know that you cannot lie, and so we ask for higher help from you to live this Christian life the way we should, and we ask for all of these things, in Christ's holy name, amen, amen.

Thank you for listening. Now, many of you may have questions, and I didn't give you a chance to ask questions, and perhaps just for a couple of minutes, if you want to ask any question, I will try and give you an answer from Scripture. If it's an answer that I do not have, I'll tell you, and then we have to do research.

And, Brody, if you could turn off the video, please. Thank you so much. Just, yeah, just close it.
