My name is Edgar Reich and I am called by the will of God to speak in revival. The message God wants me to share today is about his tears. The message title is The Tears of God.

We as people and humans weep at times, we shed tears when we are rejected, when we are not loved, when we are heartbroken or when we fail, we shed tears. When sadness comes, when we lose a loved one, a family member or a friend, we shed tears. When the pain gets too great, we weep and shed tears.

Shedding tears is a part of the process of grieving. The process of grieving may include great despair, loss of hope and even physical pain. When we grieve, we may experience joint pain, heart pain, an upset stomach, headaches, high blood pressure.

We might refuse food, we may incur blood clots, even leading to heart attacks. The risk of a heart attack is 21 times greater with sorrow and grief and weeping than it is otherwise. When is it that you have wept the last time, may I ask? The emotions including joy but also sadness and tears were given to us by God.

He himself says that he weeps. There are tears described by God the Father in the Old Testament and I'm going to read from the Bible. In the Bible there is the Old Testament section and the New Testament section and I will read from the Old Testament from a prophet called Jeremiah and I'm going to read from chapter 14 of verse 17.

Chapter 14 verse 17 and there it says, therefore you shall say this word to them, let my eyes flow with tears night and day and let them not cease for the virgin daughter of my people has been broken with a mighty stroke with a severe blow. In verse 18, if I go out to the field then behold those slain with the sword and if I enter the city then behold those sick from famine. Yes both prophet and priest go about in a land they do not know.

These are words from God our Father and in a newer translation it says night and day my eye shall overflow with tears. I cannot stop crying for my people who have been run through with the sword and lie mortally wounded on the ground. You see God loves us.

God loves his people incredibly. God loves his own creation and he proved it in Psalm 139 17. He says that his good thoughts toward us as a person exceed the kernels of sand on the ocean and then of course in the New Testament God proved his love by sending his very own son Jesus Christ that he would die on the cross for us and give us forgiveness of sins if we want to believe in his son.

Now to go back to Jeremiah chapter 14, God tells Jeremiah to tell the people I'll weep for you but turn from your evil. If you do not turn from your evil then judgment will come. The people did not listen.

They did not believe and then God drew the Babylonians to come to overthrow Judah and the city of Jerusalem. It tells us in the Bible in the book of Lamentations that what happened in that city and it is recorded in history that this actually took place that the Babylonians came to overthrow the city of Jerusalem and the whole city was surrounded by the Babylonian forces and here Jeremiah in the book of Lamentations writes to God in chapter 2 verses 20 to 22.

Here's a part of what happened and Jeremiah says to God see you Lord and consider to whom you have done this should the woman eat their offspring the children they have cuddled should the priest and prophet be slain in the sanctuary of the Lord young and old lie on the ground in the streets my virgins and my young men have fallen by the sword you have slain them in the day of your anger you have slaughtered and not pitied you have invited as to a feast the terrorists that surround me in the day of the Lord's anger there was no refugee or survivor those whom I have born and brought up my enemies have destroyed and God says yes I know Jeremiah I wept for you I wept for the people of Israel I wept for the city of Jerusalem but you would not listen I am a just God I have justice as part of my

character yes I love you but I cannot forgive your sins except you turn to me and you ask for forgiveness unless you are walking in obedience and the people of Israel rejected to do so I am a God of love he loves you and me so very much this God in fact God sheds tears the nation of Israel uh in Judah and Benjamin and Jerusalem would not listen to God and then judgment came this verse and other verses in the Bible teach us that God the Father also weeps God had announced judgment to his children but he says I will weep for you I love you I don't really want to hurt you but I cannot accept sin all of God's emotions are pure then in Jeremiah chapter 13 verses 15 to 27 God had given them the warnings and here I'm reading from Jeremiah chapter 13 verses 15 to 27 God had had warned them and

said listen and pay attention and I'm reading from a new living translation to make the words easier for us to understand God said listen and pay attention do not be arrogant for the Lord has spoken give glory to the Lord your God before it's too late acknowledge him before he brings darkness upon you causing you to stumble and fall on the darkening mountains for then you will look for light you will find only terrible darkness and gloom and if you still refuse to listen I will weep alone because of your pride my eyes will overflow with tears because the Lord's flock will be led away into exile beloved here God specifically refers

to the people that were still following him because he talks about his flock will be led away into exile God says to them do something in the following verses

verse 18 God said to them stand up and be counted in verse 18 of Jeremiah 13 it says say to the king and his mother come down from your thrones and sit in the dust for your glorious crowns will soon be snatched from your heads the towns of the negev will close their gates and no one will be able to open them the people of Judah will be taken away as captives all will be carried into exile open up your eyes and see the armies are marching down from the north where is your flock your beautiful flock that he gave you to care for what will you say when the Lord takes the allies you have cultivated and appoints them as your rulers tanks of anguish will grip you like those of a woman in labor we know from history that this actually happened and good people had to go into exile why they

never spoke up they were never heard they did not share what is right and they did not show the right way to the ones that are failing and so beloved in North America we have become a quiet minority we have become without speech without standing for the Lord in verse 22 of Jeremiah chapter 13 it says you may ask yourself why is all of this happening to me it is because of your many sins that is why you have been strict and raped by invading armies can an Ethiopian change the color of his skin can a leopard take away its spots neither can you start doing good for you have always done evil I will scatter you like chaff that is blown away by the desert winds this is your allotment the portion I have assigned to you says the Lord for you have forgotten me you have put your trust in false gods

I myself will strip you and expose you to shame I've seen your adultery and your lust and your disgusting idol worship out in the fields and on the hills what sorrow awaits you Jerusalem how long before you are pure God wept but God was also merciful and God did not allow all to be killed in Jerusalem a remnant was taken captives to Babylon who was that remnant well they were God's people God said so in Jeremiah chapter 13 verse 17 and he said to them and if you still refuse to listen I will weep alone because of your pride my eyes will overflow with tears because the Lord's flock the Lord's flock the Lord's people will be led away into exile these were the remnant they were not killed yet they also had to suffer if they are the Lord's flock why did they have to suffer in North America

the USA and Canada we have neglected God and never stood up for righteousness the name of his son Jesus is now forbidden in public prayers prayer has been taken out of school the commandments have been taken out of school God says he wept for his remnant he will weep over you and me but there's hope God is love God is an incredibly loving God and even so he must deal with sin he will create a new heaven and a new earth without sin and in Leviticus 26 verse 44 it says but despite all this I will not utterly reject or despise them while they are in exile in the land of the enemies I will not cancel my covenant with them by wiping them out for I am the Lord their God you might say well this is the Old Testament God will never do this in North America God God God is only love he will not deal

with our sin beloved this is a terrible terrible lie from Satan and there are quite a few churches and preachers out there that teach you this this is a horrible lie from Satan God will also do so in the New Testament he has done so already with Jerusalem uh in the past God said I will make a man I will make a way for mankind to be in heaven with me I love him so much and then God sent his son Jesus Christ to give us a salvation and a way out from the terror of sin and to have peace with God and beloved this happened two thousand years ago now when Christ the son of God came now you might say I don't want that way of salvation I have my own way of salvation but God says he is God he will weep for you but you will end up in a place of terribleness and darkness Jesus Christ came to earth he

came to give his life on a cross in Jerusalem to pay for all of our sins Jesus when he came near Jerusalem told his disciples his followers he would die in Jerusalem Jesus predicted his own death the third time when they were on their way to Jerusalem near Jericho this is told to us in the New Testament of the Bible and in Luke chapter 18 verses 31 to 34 we read then he took the 12 aside and said to them behold we are going up to Jerusalem and all things that were written by the prophets concerning the son of man will be accomplished for he will be delivered to the Gentiles these are unbelievers and he will be mocked and insulted and spit upon they will scourge him and kill him and on the third day he will rise again praise God but they understood none of these things that this saying was

hidden from them and they did not know the things which were spoken even his own disciples did not understand Jesus now Jesus gave his life in Jerusalem when he entered Jerusalem for us to have peace with God the Father in the United States prayer was taken out of schools in 1962 in the Bible in 1963 Hosea chapter 4 6 uh Hosea chapter 4 is is a prophet in the Old Testament verse 6 says my people are destroyed for lack of knowledge because they have rejected knowledge I also will reject you from being priest for me because you have forgotten the law of your God I will also forget your children I will weep I will weep I will cry for your children but you have turned against me you have done this terrible thing over 50 years have passed since 1962 and 1963 our children have not had Bible in

school no prayer at home consumerism and materialism took over it forced both parents to work there was no time to teach the children about Jesus Christ the Son of God nor God the Father and the Lord had said in Hosea chapter 4 verse 6 please understand this beloved he said if you forget me I forget your children there will be a famine in the land a famine of you not knowing my heart and my tears for you yes I will weep but I am a just God few now understand in the USA that we need you Jesus the Son of God to have peace with God the Father Jerusalem did not accept Jesus the United States of America and Canada do not accept Jesus God weeps he sent his son and then his son wept when he entered Jerusalem he wept over Jerusalem he did not weep there because he knew he would give his life on a

cruel cross for our sins no he did not weep for that he wept for all the people that he loved that would reject him and would die because of it in Luke chapter 19 41 to 44 it tells us about his tears now as he drew near he saw the city and wept over it saying if you had known even you especially in this your day the things that make for your peace but now they're hidden from your eyes for days will come upon you when your enemies will build an embankment around you surround you and close you in on every side and level you and your children within you to the ground and they will not leave in you one stone upon another because you did not know the time of your visitation they did not know the time of visitation of the Son of God they rejected him and they would die for it Jesus did not weep

for himself he bet for all the people that he loved and God wept in heaven Jerusalem would be destroyed the prophecy came true 70 years later the war between the Romans and Israel in 70 AD is described in Wikipedia and the historian Josephus the siege of Jerusalem in year 70 AD was the decisive event of the Jewish-Roman war the Roman army led by the future emperor Titus besieged and conquered the city of Jerusalem which had been occupied by its Jewish defenders in 66 AD Titus began his siege a few days before Passover surrounding the city with three legions of men on the western side and a fourth legion on the Mount of Olives to the east according to the historian Josephus the city was thronged with many people there who had come to celebrate Passover the dates were February 70 AD to

September AD then Josephus described the horrible scenes that happened in the city as the legions charged in neither persuasion nor threat could check their impetuosity passion alone was in command

crowded together around the entrances many were trampled by their friends many fell among the still hot and smoking rooms of the colonnades and died as miserably as the defeated as they neared the sanctuary they pretended not to even hear Caesar's commands and urged the men in front to throw in more firebrands the partisans were no longer in a position to help everywhere was slaughter and flight most of the victims were peaceful citizens weak and unarmed they were butchered wherever they were caught even around the altar the heaps of corpses grew higher and higher while the corpses slid down

the sanctuary steps and God wept in heaven there was a river of blood where the bodies of those killed at the top slid to the bottom Josephus claims that 1.1 million people were killed during the siege of which a majority were Jewish and that 97,000 were captured and enslaved Jesus the Son of God wept for Jerusalem and God the Father wept in heaven for Jerusalem Jerusalem and Israel rejected Christ the Son of God will God spare North America the USA and Canada we are rejecting Christ and that he is the only way to have peace with God the Father God is not mocked and the prophecies of the past and of the future are true God is love yes he is but where we reject his love and where we reject his peace given to us through his son Jesus Christ he will weep but then there is justice and

judgment you see God wants to create a new heaven and a new earth without sin and that is his ultimate step of love for us he will have a new heaven and a new earth without sin but in order to do so and to have that a heaven without sin he must deal with sin on earth there is no choice so what about the long-term future what does the Bible say do you believe the Bible if you're listening and you believe the Bible do you believe the book of Revelation in Revelation chapter 9 verse 15 it says so the four angels who had been prepared for the hour and day of month and year were released to kill a third of mankind and God wept and God wept one third of seven billion is 2.33 billion or 2330 million people in America are 324 million people and here are 2,000 million more people who die God will

weep over us but he must bring judgment and he wants to bring in a new heaven and a new earth where God making this exception for those that reject his son Jesus if he would give that exception then God would have never had to send his son Jesus Christ into this world to die for us and to die for our sins don't believe these terrible lies from the evil one from Satan from those that are deceived do not listen because God will weep but he must also judge as true Christians we feel sometimes we are between a rock and a hard place we need to repent ourselves and then get off the ground praying for faith and doing his work in the midst of trouble you see faith without words is dead you say well I don't need to repent I'm a good person may I ask you do you have any tears left for North America

do you have any tears left for many Christians who are tortured some of whom are crucified in the Middle East they beheaded do you have any tears left do you have any tears left with God because he is weeping but God will also bring justice beloved we have 324 million Americans in the United States of America and 36 million Canadians together that's 360 million people over 70 percent in North America say they are Christians but only 20 percent include including false faith go to church if you don't read God's word nor pray no fellowship with true Christians are you really a Christian so let us assume that there are truly 60 million people who are saved and follow Christ who are going to heaven what about the other 300 million people in North America that are going to hell beloved yes God

is love God doesn't want it to happen God wants you to turn around and to repent and to follow his son Jesus he loves you so much he has good thoughts towards you more so than all the kernels of sand on all of the oceans of this world he loves you so much he does God made it clear in his Bible that there are two places to go to in eternity one is heaven and the other is a horrible place called hell and the lake of fire

heaven can be reached only through Jesus Christ the son of God so may I ask you again do you have any tears left for your fellow man for unbelieving people at work for unbelieving family members do you have any tears left there's a great sin called lukewarmness there's a great sin called unbelief there's a great sin not sharing the incredible good news God has given us and

I believe God our father is grieved the Holy Spirit is grieved and grieving includes tears and so beloved the question is when God allows you and me between a rock and a hard place what is it that I need to do as a Christian he loves me he has good thoughts towards me so thank him for the rock and the hard place even so right now you may be in a rock and hard place he has caused you to look at this video because he loves you so much he wants to give you eternal life through his son Jesus he's drawing you and so I pray that you would continue to the end give thanks to God for in everything give thanks for this is the will of God in Christ Jesus for you then pray to God you cannot see him right now but he is willing to hear your prayer then you can get off from the ground praying ask the

Lord what it is that you need to do including obedience is it to pick up your Bible start reading your Bible every day is it to pray to God every day is it for you to go out and to church to join a true church still there's still two churches out there that preach and teach the truth of the whole Bible don't go to a church where they keep out parts of the Bible so that only itching ears are pleased that they hear what they want to hear I'm giving you the whole word of the Word of God what is it in your hand if you're a true Christian you say well I'm nothing I'm very little I can't do anything but what is it in your hand what has God given into your hand to get you through he's given you Bible a Bible he's given you prayer he's given you faith he's given you the Spirit of God in you he's

given you Christ in you if you're born again scripture says you have the mind of Christ you have been given spiritual gifts God has given you the fruit of the Spirit you have love joy and peace you can use it if you want to but you also have the old flesh that draws you away but he has given you hands to do a mouth to speak he's given you his gospel and his glory and scripture says he has made you an ambassador for Christ he has made you more than conquer so will you step out in faith and use what God has given you into your hands because faith without works is dead the remnant in the Old Testament in the city of Jerusalem they were sent into exile because they didn't do and beloved if you believe God and his word and what I just mentioned to you you will see miracles in your life if you

step out in faith and use what God has given you maybe you cannot part the ocean and maybe you can't slay giants as David did in the Bible but God can you can create ripples on the water with the Lord's help may I ask you to pick up five smooth stones like David did perhaps the five smooth stones could be five tracks you may not slay the giant but you can create ripples on the water the well-known person once said spread love everywhere you go let no one ever come to you without leaving happier do you do that does your family experience that does your church experience that if you judge people you have no time to love them if you have no peace it is because you have forgotten that we belong to each other kind words can be short and easy to speak but the echoes are truly endless I found

the paradox that I love until it hurts then there is no hurt but only more love if you can't feed a hundred people then just feed one peace begins with a smile do not wait for leaders do it alone person to person perhaps I alone cannot change the world I know that but through Christ in me I can cast a stone across the waters to create many ripples and God will help me in second Corinthians chapter 12 line God said to us through the apostle Paul my grace is sufficient for you for my strength is made perfect and weakness therefore most gladly I will rather boast in my infirmities that the power of Christ may rest upon

me therefore I take pleasure in infirmities in reproaches in needs in persecution in distresses for Christ's sake for when I am weak then I am strong where God weep over

you a Christian because you're not doing the tasks God has given you to do when Jesus Christ came into my life and saved me I was born again I also realized that believing in Christ Jesus is doing and following him I asked my former wife for forgiveness I asked my daughters I had hurt them so much and they forgave me beloved is how a heart wrote back I made good where I could but God will help you God will love you God will be with you when I was in hospital and two days from death I felt the weakest and yet the Lord gave me strength and 48 witnesses about the son of God and him giving us hope and eternal life came from my lips and were given during that hospital stay when I first wanted to share Christ I became very angry at God I was walking in the park and I said God if you're real I'm

committed to you I'm committed to your son I want to share Christ but I'm so afraid I'm so weak I've asked you for empowerment through your Holy Spirit and nothing is happening and so I went on in the park and then after a little while a very still small small voice came and said the problem is you don't believe that I have filled you what what have you done God yes I have filled you with my Holy Spirit ask for cleansing and then come to me and ask me for my Holy Spirit to help you I will do so but you must believe and so I said God I will believe and another day I went through that park and I had gospel tracks in my pocket and I walked past a well-dressed man on a park bench he seemed to be smiling and I thought well this man doesn't need you God but as I walked by somehow there was this

still small voice again which said turn around give a track to that person so I walked over to that person and I said to him sir I don't want to disturb you but it is a beautiful day and I wanted you to know that God loves you incredibly that God sent his son for us to be able to have salvation and eternal life if we believe in his son and ask him to come into our lives he will do so he will forgive us our sins if we ask him this man was sitting in front of me his eyes open up wide and tears were bursting into his eyes and he was saying I'm sitting here I'm sitting here I'm trying to commit suicide I'm thinking about the best way to take my own life life has no hope it has no future and so he talked and I shared that God has a hope and a future for us through his blessed son Jesus Christ

and he will help us he will help you perhaps you're sitting there and listening without joy without hope and beloved may I tell you there is hope there is this wonderful news there is God's great love for you and for me when we're down and out we still have a great hope the hope of salvation through our Lord Jesus Christ and you know after I made this decision to follow Christ heaven came down and glory filled my soul when at the cross the Savior made me whole my sins were all forgiven and I'm now on my way to heaven glory came down and filled my soul now I can shine for God I can trust him I can bring glory to his name we can have faith and when I was raised to new life with Christ I set my sights on the realities of heaven and I asked God what is it that will bring revival to us what is

it that will show us the way what is it that that needs to change in my life that there would be revival where you would come down from heaven through your mighty love and great empowerment through your Holy Spirit and so God said well set your sights on the realities of heaven where my son sits in the place of honor at my right hand think about the things of heaven not the things on earth for your real life is hidden with Christ in God if you want to if you trust Christ when Christ who is my real life is revealed to the whole world I will then share in his glory so I'm putting to death through Christ Jesus the sinful earthly things that are lurking within me and so scripture says have nothing to do with sexual immorality impurity lust and evil desires I will empower you come to me if you

don't I will weep for you but don't don't be greedy anymore for things of this world for a greedy person is an idolater worshiping the things of this world because of these sins the anger of God is coming I used to do these things when my life was still part of this world but now it is time to get rid of all anger of rage of malicious behavior slander and dirty language my all sinful nature and all its wicked deeds needs to be stripped off so where does personal revival start it starts with you and me individually it starts with turning to God from all of our old ways we don't need to sin Christ has set us free and he has given us the power through his holy son Jesus and through the Holy Spirit so what are we to do as as this new person what are fruits of repentance you say you are a

Christian and you you are chosen to be one of the holy people that God loves but in scripture it says that you must close yourself with tenderheartedness don't keep on being evil and sinning your heart should be a heart of mercy of kindness of humility of gentleness and of patience make allowance for each other's faults and forgive anyone who offends you do it do you do that remember the Lord forgave you so you must forgive others above all close yourselves with love which binds us all together in perfect harmony and let the peace that comes from Christ rule in your hearts for as members of one body you're called to live in peace are you fighting with other Christians are you fighting with everyone you need revival God is weeping over you the Holy Spirit is weeping and grieving over you

let this mind of Christ dwell in you let there be personal revival and then let there be revival in your own family I was in church and 10 young people came to witness how God saved them through a Christian ranch and seven of them were young people from Christian families they were cutting themselves they were trying to commit suicide they did not want to live you know why because the family life they grew up in did not reflect what God intends for the family and so as a second step of revival let revival start with you not with your wife not with other church members not with wrong churches out there let it start with you and then as a second step let revival start in your own family what of fruits worthy of repentance in a Christian family beloved scripture says wives submit to your

husbands as is fitting for those who belong to the Lord but here husbands are to love your wives and never treat them harshly love them as Christ loved the church lay down your life for your wife when you lay down your wife your life for your wife she will have no problems in submitting to you and then children always obey your parents for this pleases the Lord fathers don't aggravate your children or they will become discouraged for those of you who work in employment obey those in charge with everything you do of course you need not to do dishonest things but try to please them all the time not just when they're looking serve them sincerely because of your reverent fear of the Lord work willingly at whatever you do as though you were working for the Lord rather than for people remember

that the Lord will give you an inheritance as your reward and that the master you're serving is Christ it's not your employer you are serving Christ if you are a supervisor or own a company be just and fair to those who work for you remember that you also have a supervisor and a master in heaven and so beloved fifty percent of North American families have gone through divorce most young people don't even get married anymore they go against the law of God and God is weeping fifty percent of of Christian families are divorced beloved what has happened to us these words that I just spoke they are in scripture God told you but you're not following them will you ask God to help you will you repent of your current ways will you ask God to help you to turn your family around are you going to

send your children on with your sins into this world devote yourselves to prayer with an alert mind and a thankful heart God will weep over me the remnant not doing right not leading my family right let revival

start with you individually and let revival start with your family brother father weep over me not using the things he has given into my hands the Bible he's given me the Bible he's given me prayer he's given me faith he's given me the spirit of God in me he's given Christ in me he's given me the mind of Christ in me he's given me spiritual gifts he has given me to use he has given me the fruit of the spirit he has given me love joy and peace to use lord you have given me hands to use in the mouth to speak God you have given me your wonderful gospel and your glory I could shine

with you you have made me an ambassador for Christ you have made me more than a copper father so often I don't I don't live up to it father it's the all flesh in me it's the world the flesh and the devil forgive me forgive me lord will Jesus weep over the remnant will God weep over the remnant the followers of Jesus in the book of acts turned the world upside down with their love their lives and their testimony but they also had higher help beloved this is another really really great sin in the western world because we want to do everything without the help from God we want to achieve things without the power of the Holy Spirit and in Luke chapter 11 verse 13 God said I will help you if you then being evil know how to give good gifts to your children how much more will your heavenly

father give the Holy Spirit to those who ask him God will weep for you and for me if we do things in our own strength because we will fail will you rely on God and his Holy Spirit to help you and then there are those and earlier on I had read a passage of people with leopard spots that cannot change perhaps you are a person like that you spotted with your sins you have never yet come to the Lord Jesus Christ to say I want to believe in you and want to give my life to you please cleanse me please take away these terrible spots I cannot take them away myself scripture tells us that only Jesus Christ's blood can wash away our sins and make us clean God says let me reason with you I'll wash you whiter than snow I'll wash you whiter than wool but you have to follow my son Jesus Christ I sent

him to you you may say no to him I have given you free will I will weep over you but then you must take the consequences only Jesus can change you we need to believe that Jesus took our sins on him that he died for us and that he rose again from the dead and scripture says believe on the Lord Jesus Christ and you will be saved and then it tells us that all of heaven will rejoice in the presence of the angel of God over one sinner who repents God loves you and me incredibly yes God is love and he has made a way of peace with him through his son Jesus yet God is also just God weeps over those who reject him for they have no understanding of what is coming you say well I accept God but I don't want his son but you see Jesus Christ is also God and he and the father are one I have shared the

truth with you today the prophecies of old will all come true in the future and God is not marked what will you decide today follow Jesus and be saved or go to an eternity of the lake of fire for the remnant and those that believe will God shed tears over you the remnant because you say Lord I have heard that I have all of these things but Lord I'm too weak to use them believe that you are a living stone through Jesus Christ that you can't skip across the waters to create many ripples God has made you and me an ambassador for Christ will you repent will you believe will you do for faith without works is dead if you're saying now I want to believe and I want to have the higher help from God would you pray with me may God rejoice over us today may we stop his tears you see God also weeps

but he wants to help us he wants to rejoice over us and God is love with those that have leopard spots today repent and give their lives to Jesus today let us pray and let us bow in a word of prayer heavenly father we come to you in the blessed name of his son Jesus and our hearts are moved by your tears for us our hearts are moved because you love us so much our hearts are moved because your great love and

your good thoughts towards us exceed the number of kernels of sand on all the oceans and yet father we have seen ourselves in our human state where the flesh the old flesh that wants its own way where the world teaches us different things and where the devil comes and whispers into our ear false things oh lord we come we repent we repent before you lord we want personal revival we want

the personal awakening if we follow you because we have christ in our hearts then raise us up father raise us up as a mighty mighty army come and rent the heavens and bring revival and then father let there be revival in our families father let there be revival in my family where i have done so much wrong father let there be corporate revival of all of the churches that are now teaching evil and wrong things change them father and then lord i pray that you would be glorified through that which you're going to do for i believe that you will revive us again and i thank you that you will do it and i praise your holy name for it and father they are those that are watching on this tape they're sin sick they don't want to go on singing anymore they want a future and a hope and so father i pray

that right now they would repent and turn from their sins and they would say in their hearts i want to follow the son of god i want to be right through him and i accept that jesus christ died for me that he gave his blood that i might be free from sin and that he rose again to be with you father i believe it and i want to follow christ now help me in this path of following jesus father i pray that your tears would stop at the times that you would have a great smile on your face when those that follow you lord even as the church in china follows you with a hundred million underground christians lord as they go out and share your word you're pleased father be pleased with north north america be pleased with us father and i pray all of these things in jesus name amen and beloved thank you

for watching with me for nearly an hour may god richly bless you and those of you that have made a decision to follow christ i'd like to ask you to take a bible i hope you have a bible if you don't have one go to the nearest church and ask for a and start to read in the new testament about this son of god learn to understand god better and then start praying every day and then find a bible believing church where they will teach you and help you thank you for watching the lord bless you
