Transcript

The next experience that dramatically impacted me in this journey was this opening of my heart to more from the Lord. And I was in this prayer meeting, I found myself in this prayer meeting with some young people who had just experienced revival and the outpouring of the gifts of the Holy Spirit among them. And I was there observing and I saw there was an obvious love for the Lord in their hearts as they were praying and crying together out to the Lord.

And I came among them and I said, hey, would you guys mind praying for me, laying hands on me, praying for me to be filled and baptized in the Holy Spirit? They said, sure we can. So they laid hands on me, prayed for me, prayed for me in tongues, and then at the end someone gave a translation of the last tongues that were prayed over me. And that translation of tongues hit something deep in my heart.

There's one stronghold that was in my heart for two years that nobody knew about, that I never shared with anyone, and that I've been struggling with and I couldn't get it out.
