Transcript

Let us pray. Our God and Father, we thank you that once again we've had this opportunity, like two passing trains in the night, to meet together and to stop and open your word. And we thank you for these mega-motivating words from your word in Acts 13.

And we would pray in obedience to Matthew chapter 9, O God, that you would send forth, just as you sent Paul and Barnabas, that you would send forth laborers, workers, into the harvest, locally and across the globe. And that you would raise up the senders, the intercessors, the mission mobilizers, to make this a reality that that remaining 25% may soon at least hear or read about Jesus. And that after that the church might be planted among every peoples in every part of the world.

In Jesus' name, Amen.
