## Transcript

Life is one life of God with hungry hearts. And during this convention, I have met more hungry hearts. You just sit there and just pull the tooth right out of them.

So I'm, I'm... How many of you were here last night? The Laura was with us once. Go on where we left off last night. Wonderful.

Open this precious book. Will you please get right into it. Begin with the first verse.

And I heard a great voice of much people. Alleluia. Salvation.

For he has judged all the things. All sorts of human beings. All the attributes.

All the passions. All these things that God has. And all that he has is in answer to a sacred thing.

You are to say these things. We are to say these things. Not just your tomorrow.

He knows that you work. Because he says of you. You are saying all things.

Work together. And then there isn't a week. Months.

To work things. All because. All because.

For we know that all bad things for good. He also did more good. Thanks for the sugar, brother.  
These are all my things. Oh, what are these things all about? They're blasphemies. But I want to hold you.  
On what. For the kind. You know this.  
What. Because they are not. No qualifications.  
And right now we are. What. For our.  
To be able to. In the twentieth. We know not what.  
For here. These. So that we might.  
These. Things. So that.  
Did you know this? His own son. So he took him out. Lord.  
The gold. Into his. For this.  
All. Things. All.  
Should. One thing. Shall.  
Or distress. Or. Persecute.  
We are. Killed. All.  
The day long. For. Than.  
He. For. Truth.  
There aren't as many. Nothing. Nor.  
Suffer. But. What.  
Thou. Would. If.  
Thou. Couldst. God.  
Nothing. Couldst. Thou.  
But. And again. They say.  
The crowd. That. And.  
Was. And. Before.  
These. Fell. Down.  
Sat. On. We.  
Like. Get. would have gone badly, but those of you who... are on the way.
