## Transcript

The Holy Unction dropped in this Word, while I was considering upon this transformation, saying, the just ones, whose faith may hereunto extend, are to Suck in a pure Breath, that will make a Life to rise and spring, for the formation of such a Body, into which Sin can never come in. And therefore abide steady in your Hopes, and Faith. For all its various operations in this respect are needful. For Faith is the great Wheel that turneth about all of this kind, therefore take heed of doubting hence forth.
