Description

This sermon emphasizes the importance of turning back to the Lord for revival and restoration, leading to rejoicing in Him. It highlights the transformation that occurs when we are conformed to the image of God, encouraging a deeper relationship with Him through love, praise, worship, studying His word, and following His ways.

Transcript

Psalm 85 verse 6. Will you not revive us again that your people may rejoice in you? And Lamentations 5 to 21. Turn us back to you, O Lord, and we will be restored. That's why being conformed to His image is the greatest thing.

Turn back to you, the more you're with Him, the more you'll be like Him, the more you love Him, the more you praise Him, the more you worship Him, the more you study the word about Him, the more you have a passion for Him, the more you study His ways as a leader and as a man and as a friend and as a person, the more you get like Him.
