Only the church has an exit. Hell has no exits. When God prepared hell for lucifer He did not prepare hell for humans He prepared hell for lucifer And when he prepared hell for lucifer He made a way that hell could see what's going on in heaven for the fact of torment But when he made hell he fixed it in such a way That those that are in hell can never exit And those that are in heaven can never come to where they're at and help them out Can I tell you tonight you ought to exit while you can You need to exit a life of sin while you can Exit your lifestyle while you can If you question whether your life is pleasing to god you listen to this preacher tonight exit while you can But i'm gonna keep on telling you just because your conscience has been seared does not negate the fact That jesus is coming Exit while you can Exit He said what could be better than for than heaven Would be as you are walking up to the throne As you're walking up to the throne You made it to heaven you made it there And you're walking up to the throne and all of a sudden you hear mama mama That's jared Oh There's your mama i'm over here oh jeremy And for the entire family to come around the throne of god I can think of nothing better.

I can think of anything that would top heaven than to be around the throne of god And to have my children around the throne of god and we'll say it paid off didn't it? Son-in-laws it paid off didn't it? It paid off didn't it? No. No it paid off didn't it? I know they were making fun of us. I know we were getting ridiculed, but it paid off.

Look at Jesus. Nolan. Look at the Lord Nolan it paid off But I can think of nothing worse than hell And open my eyes in hell Flames dancing all around me a body that won't burn Because it's an eternal body that won't burn Gnashing the teeth people gnashing on each other with their teeth You're in a free fall the whole time because it's a bottomless pit You hear the hissing of demonic spirits as they whiz around your ears and you hear all of these things are gnashing and moaning Oh God, it's a cry of the unimaginable You're hearing all of these people are gnawing on you And all of a sudden your boy comes up beside you in hell You hear me tonight.

I'm about to preach you to this altar. You hear me tonight daddy You better live such a way that in hell your children don't come up around you and say daddy. Why did you lead us? Daddy, why did you get your feelings hurt? Mama, why was you so carnal mama? Why wasn't you in the prayer group instead of the gossip group? I've come to tell you tonight that would be worse than hell
