## Transcript

For the joy that was set before him, he endured the cross. A day worldwide we recognize, remember, the creator of the universe who made, multiplied billions of galaxies and all humans and everything, became a man to offer his life as sacrifice to heal our sickness of sin and give us victory over death. Jesus paid the price on the cross for the redemption of the whole world, but the delivery charge is our privilege and that involves suffering, giving, going.

As you are a partner and a friend of Gospel for Asia, I wanted to know that is exactly what you have been doing, that together we are taking this great news of hope and deliverance to the whole world. Let's keep doing it and this day must remind us the seriousness of it. Thank you.
