Transcript

I think reading the Word of God and getting a vision for who God is, His glory, His majesty, His greatness, should inspire us to have intimacy with the Lord. I think everything begins with studying the Word of God, looking at who He is, what He thinks, how He feels towards us, and being captivated by His love and His zeal for us. We cannot help but respond to love Him.

We love Him because He first loved us, and we need to grasp a revelation of His love for us through reading His Word.
