## Transcript

It's like dying to the wisdom of this world. It looks like dying to the wisdom of supposed modern day church life. It looks like dying to satanic, listen, self-promotion, even if you're in the ministry.

Where are the people with treasure anymore? Treasure. Are you hearing me? Can I just, can I just talk to you? Where are the holy people? Holy people. Where are the people whose eyes drip with the glory of God? Where are the people who have pulled out treasure and have guarded that treasure in their hearts?
