

(Fury of Fire) 06 - Will of God - Sanctification, Divine Nature,

by Milton Green

The sermon emphasizes the importance of following God's Word, being led by the Spirit of God, and receiving His discipline and reproof to live a life of purity and peace.

Duration: 1:23:24

Scripture: Romans 6:1-12, 1 Peter 1:14

Topics: "Sanctification"

Description

In this sermon, the speaker emphasizes the importance of following the Word of God rather than adhering to old traditions or wrong teachings. The speaker urges the listeners to listen to all the tapes in the series in numerical order to fully understand and receive the teachings. The sermon highlights the need for obedience to God's word and warns against being conformed to former lusts. The speaker also discusses the concept of suffering and how it is a part of the Christian journey, leading to a deeper anointing and promotion from God.

Transcript

When anyone receives revelation in the Word of God, it sometimes conflicts with what he has previously been taught. This causes you to have to deal with old traditions or wrong teachings. These tapes may contain some new light from God's Word, and it may be opposed to some traditions you have previously learned.

Therefore, follow through these messages in your Bible, in sequence, in order that you may be able to make a choice for the Word of God, rather than the traditions of men. This is tape number six in a series. We urge you to listen to all the tapes in this series in numerical order, so that the whole teaching can be received and understood.

Listening to a part of this series, or to the tapes out of sequence, can lead to a misunderstanding of the nature, the intent, and the importance of this series. All right, then we saw them, the ones that do the will of God. Is that right? They're going to go to heaven.

Is that what your Bible said in Matthew 7 21? They're going to go, does the will of God. Well, what is the will of God? We know, have a pure heart. If you have a pure heart, sanctification, and you bear the right

fruit.

Does that sound like the eternal life? That's the gospel I recommend. That's the gospel I recommend to you. Now, now you see, a lot of folks, I've heard people say they sit there and everything, you know, said, or said, I don't like it, but I can't argue the right word.

I recommend you don't. I've been saying the same thing. Everything I'm saying is love.

I'm not building nothing. I'm gonna leave town. It's up to you and Jesus, isn't it, right? I'm not Lord.

I just come here to the park. Amen. That's the problem.

The problem, we wait for the man to come to town. All right, now verse 8. Verse 8, consequently, he who rejects this is not rejecting men, but the one who rejects this is rejecting God, who gives his Holy Spirit. Now, is that what your Bible says? I think Hebrews 5 and 9 said he'd give his Holy Spirit to the ones who obey him.

Is that correct? Is that right? Okay. Now, I want you to turn with me to Hebrews 12. Can you stand there a little longer? Hebrews 12.

Hebrews 12. Now, we're going to see something, something about possessing the land right here. Now, we're totally going to be persecuted and going to be afflicted and come against us, aren't you? I'm going to tell you what.

Can I tell you before you read it, you're going to get tore up. You're going to get excited. When you see truth, see, listen folks, when the gospel is always lead you to love.

Is that right? Is everything I've said since I've been here is love? But flesh is hostile to it. Is that right? Because flesh itself wants to be king. It's hostile to God and it's hostile to the word of God.

Is that right? Everything I've said, look, so when you come to the word of God, it just proves that your ambitions lead to the Lord, walking in love. See, that's why we have covenant. It's why we have the law.

They're not contrary to one another. We saw that playing out. Let me just put it in here.

The law and covenant are not contrary to one another. We've already covered this, but I won't just mention it. It's, uh, Galatians 3, 21, is the law being contrary to the promise or contrary to the covenant of God? May it never be for the law had been given which is able to impart life and righteousness would have been based on the law.

In other words, you wouldn't need the covenant if you could obey the law without it, could you? You wouldn't need Jesus. Think in Galatians 2, verse 21, do I nullify the grace of God for if righteousness comes through the law, then Christ died needlessly. Well, you can't, you can't keep the law without Jesus.

But some people are trying to do it without Jesus because they're not led by the spirit of God. See, that's the deception today that the power of the darkness has got people this evening to get them to get a heart to gather around something and find a false security. And then when you find a false security, if you're not led by the spirit of God, if you're not led by the spirit of God, you've been destroyed.

Jesus said, well, you call me Lord, Lord. I'm not doing what I'm saying. Amen.

You got the wrong foundation. Is that what we always thought? Okay, now we see him right there in Hebrews 12, verse one. Therefore, since we have so great a cloud of witnesses surrounding us, we better lay aside every encumbrance.

You better lay aside every sin which so unequally entangles us. And you want to run with what? Endure to the end. The race is set before you.

Now, what are you going to do? You're going to fix your eyes on Jesus Christ and the author and protector of what? The faith. And the only way you can do that is to be led by the spirit of God. Verse three.

For consider this, who endured much hostility by sinners against him. And so it's going to happen to you. They're going to be hostile because flesh is hostile to God.

And it's going to be hostile to you if you're in agreement with God. So that you may not grow weary and lose heart. You don't have to please men.

You please God. Amen. Amen.

And now see, this is what upset kings of flesh. Because when you start doing the thing God says, they come that spirit of a spirit of God comes down and they start hot. They start.

They'll push you off a cliff. Never change. I mean, they'll ruin your character.

They're questioning you closely about many subjects in order they might catch you on something you might say. Because they've got to discredit you. They've got to ruin you because they've got to come against you with controversial questions in order to destroy this.

They've got to attack you and they attack the word. They attack the spirit in you with controversial questions and dispute about words. Which lead to evil suspicions.

Are you hearing me? That's the attack. That's what the pharisee that flesh hasn't changed now. So consider him who endured such hostility by sinners against him.

So you may not grow weary and lose heart. You have not yet resisted through the pot of shedding blood in striving against them. Now what we're talking about persecution and endurance, aren't we? And you have forgotten the exhortation which is addressed to you as sons.

My son do not regard lightly the discipline of the Lord. You're going to be disciplined. Nor faint when you are reproved from him.

Now, how are you approved for the Lord? Now look at me folks. Let me show you something. When, let me get this preacher over here.

When they come to put this pressure and all these things on you, brother, and things like that. How you receive discipline and proof of the Lord to give you scriptures. You're looking at the Lord.

Your eyes are fixed on Jesus. It's not on the surface. I mean, I mean you, you can either handle it in the flesh.

You can jump on a whole bunch of both feet, anger, hate. You, you can throw up bits. Or else you can stand there and, and, and, and receive discipline.

And the Lord, you're going to suffer in the flesh and cease and sin. And then, you know, the Lord just don't have it. He's in control.

No. Now verse six. For those whom the Lord loves, he what? This one.

Now, let me ask you something. Let's just say, now look at me. I want everybody to look at me right here.

Let's just say that you make a mistake. Whether attitude, condemnation, or judgment towards someone. And then, you lose your peace.

Because see, when judgment comes out your mouth, the powers of darkness attack you. When condemnation comes out your mouth, the powers of darkness attack you. You don't have peace.

But the world, and the world and the church doesn't pay any attention to that. They just continue on like a horse charging into battle. Because they don't receive reproof.

But you will come to the light. You'll see it and know that you're not supposed to be in torment. You're supposed to walk in peace.

And you know there's something wrong with your heart when you haven't walked in peace. Amen? Is that right? So, what do you do? You come to the light. Can I tell you the body of Christ comes to light? Can I tell you that's who the body of Christ is? They will come to the light.

He has said, those who love him will obey my command. Now, if you come to the light, what does that prove? You are receiving reproof and discipline. If you don't come to the light, you're not receiving the reproof and discipline.

Amen? Amen? Glory! Praise God forevermore. Now, did you hear what I said? I hope you didn't miss that. Okay.

Let's read 6 again. For those whom the Lord loves, He disciplines. And discourages every son whom he receives.

So, it is for what? Discipline that you what? Endure. Now, so what is the discipline, folks? Look at me. Every time you lose your peace, you will go to the sacrifice, as they did in the old covenant.

I mean, when they sins and everything, they went to sacrifice and then it wasn't judgeable law. Is that right? When you go to sacrifice, you're not going to be judgeable law today. Amen? Glory! You want it in love, in no sacrifice.

But you will when you when you walk under the law or do anything under the law. It's eye for an eye and a tooth for tooth. It comes at you.

Amen? But see, on the other hand, what you do in the name of the Lord and love and bless and everything, it's poured into your lap in the other direction. What you give out is what you get. Amen? By your standard of measure, it's measured to you.

Isn't that interesting? Oh, I'm telling you, it's a new day, isn't it? Boy, it's exciting. But that's the way it is. So, so what do you have to endure? That every time you lose your peace, you're going to go before the Lord and say, what did what I do this time, Lord? I know whatever it is.

I'm sorry, because I love you more than I do it. And I know before I ask you, Lord, that I'm going to turn from it, whatever it is. And Lord said, well, you know, this time it's uh, it's that jealousy and I hate it.

And I said, well, since I love you and Lord your Jesus, since you said those who love me will obey my commands, I want you to know what I do love you and I turn from that and I'll not do that anymore. And so Jesus, I right now receive forgiveness and I receive the blood. I receive the finished work of Calvary.

And now in Jesus name, by faith, I stand in that word. I've turned from it in my heart. I'm not going to practice that sin.

I turn from it and in Jesus name, it's removed and that stronghold's gone right now in the name of Jesus. And then peace comes back to you. Are you hearing what I mean? And what kind of process is that going to be? You're going to keep doing that until you've got a what? A pure heart.

And when you're going to walk in selflessness and self-centeredness and self-love and self-worship. I praise God. Does that sound like a gospel? Amen.

So, verse seven, it is for discipline that you endure. God deals with you as with sons. For what son is there whom his father does not discipline? He'll discipline you because he has to correct you because he has to get your heart turned from these things.

Amen. Because he's conforming you to the image of Jesus. He can't conform you to the image of Jesus.

You've got another gospel, another Jesus, or led by a different spirit, can he? Huh? Okay. Are you ready in verse eight? You got your big pencil ready? And even if you are without discipline, if you're without discipline, in other words, you won't come to the light of which all have bundles for takers, then you are illegitimate, children. You're not sons.

If you won't purify your heart, I don't care what kind of title you are. I don't care what kind of good, nice, big things you're doing for God. If you're practicing sin and you won't come to light, you're not walking in peace.

You're a bastard. You are a whore. You're a harlot.

You're speaking blessings and curses out of your mouth. You're practicing sin. You won't come to sacrifice.

You're sinning willfully and you're trampling underfoot the blood of the Lord Jesus Christ and you're regarding a covenant as unclean. And a fury of fire and a vengeance of God is all over you. Now, that's how you learn the fear of God.

The fear of God begins with you because my people are destroyed because they don't know the fear of God. They don't know the fear of God because their hearts are settled for something else and they won't come to light or in peace. Because flesh wants to be hostile.

Flesh means that's about them. And they block folks. Hold them together with intimidation and fear.

Oh, I'm so thankful to you, Lord. I could just get on my face all over the place right now, folks. I tell you what, I'm just, I'm telling you, I'm honest with you.

I just, I could just crawl under the rug or anything. I just, I'm just so grateful to God. I tell you what, I'm honest with you.

Tell me. I'm telling you that's a matter of what he's saying. I'm going to tell you if you're legitimate children.

Now, I don't care what they're not folks. I don't care if it's your brother. I don't care if it's your mother-in-law.

I don't care if it's your father-in-law. I don't care if it's your best friend. I don't care if it's your uncle.

I don't care if it's your rank. I don't care if it's some headquarters. I don't care what it is You'll make a choice between Jesus and nice folks and friends family You'll make a different choice between the flesh and Jesus you'll make a choice between the world of Jesus You'll make a choice between yourself pride equals rest You'll make a choice between building treasures here on earth and building them in heaven You'll make a choice in your heart.

You got another route forget it eat drink and be merry. You're going to hell You'll either walk in love or you'll be destroyed God drives in this earth. Now see that's why you can't cover something like it I just go for days right on top of what we're doing right here God drives in his earth all the haughty all arrogant all the pride Destruction and like the moths and rottenness is what it refers to as a curse.

That's what it is. He cuts them in pieces He cuts them in pieces just like you do in a covenant You do to me and more Lord if I don't keep this covenant, that's curses. And so you just torn to pieces Our folks don't like hear that Flesh no So why you only place right there just turn back to Proverbs 1 Hold your place and turn me back Proverbs 1 on 3rd Proverbs, right? After some I hate your son Don't ask you something what is 1st Corinthians tell us what who is there? I just do a whole bunch of things about understanding wisdom And I sure but I'll just read you just a little bit right here Proverbs 1 now have we already saw in Jude that the that the the scoffers Are those in the life days that follow after own ungodly lusts that worldly money and devoid of spirit Hadn't got the Spirit of God.

Amen. Okay Proverbs 1 verse 20 Wisdom can we go ahead and just say Jesus Jesus shouts in the street She lifts her voice in the square at the head of the noisy street She cries out at the entrance of the gates of the city. She hugs her thing her thing word How long old night one? Will you just continue to love this simplicity and you scoffers that you know, what? Okay, the flesh selfish They'll laugh themselves in scoffing and Fools that the opposite of a wise heart a fool just hate knowledge.

They hate God's Word Verse 23 Turn to my reproof and the words walking repentance and if you'll do this behold, I'll pour out my spirit on you and Then I'll make my words known to you I'll give you a revelation and that's going to end the famine for you But you're going to have a famine of no understanding Ever learning never able to come to knowledge of truth until you receive my reproof and turn repent and come to me of your whole Heart as a matter of fact, you're going to walk in darkness But I've called and you refuse I've stretched out my hand and no one pays any attention You've delected all my counsel. You didn't want my reproof. You didn't want reproof So I'm gonna laugh at your calamity when he's powers of darkness.

I'm gonna mock when your dread comes That's one of them, you know, let me just tell you something folks. How many years ever had dreaded things? That's one of their ministries is read and when you dread something whenever you do it That's when you're toward a piece you dread talking on the phone every time you talk on the phone. They're gonna pack you I Got the bad too many people to pray for you know,

and so forth They make it so demands on me and I didn't stand in the fire That's back in those early days Lee when it wasn't nobody there to kind of hit me and and and so I began dreading and so I could feel perfectly good and Because I didn't stand in the fire I Let dread talk to me up there and I began dreading prayer for people and so what happened? I Could feel perfectly good at the moment.

I'd lay my hands on somebody to pray for him right there. I'd come apart Whatever you dread. Yes, that's calamity.

So I'm gonna mock see if you don't come to light you never can't get loose from it See, I got free from it But if I hadn't had to sacrifice if I haven't led to the spirit, I mean wouldn't on the difference and I just kept getting Heavier and heavier and heavier till it destroyed me. That's how you're driven from the earth. Are you hear what I'm saying? What you fear comes on you perfect love cats that all fear if you fear God, you won't fear nothing else.

Amen If you don't fear God, you're gonna be afraid of everything. So I Stretch out my hand and no one paid attention. You neglected all my counsel.

You don't be led to the spirit of God You you didn't want my reproof. You didn't want this one. So I'm gonna laugh at your calamity I'm gonna mock when your dread comes when your dread comes.

There's a tree cutters. They come like a storm and Your calamity is gonna come on like a whirlwind When distress and anguish come on you and it's all over Folks today then it will call on me But I'm not gonna answer now James 4 showed you you've got the wrong motive. So I don't answer your prayers You pray with the wrong motive They'll seek me diligent, but they're not gonna find me cause why they've hated the Word of God They've hated the word the word their hearts have gone after men intellect theology doctrines their hearts going after signs and wonders or Casting out David their hearts going everywhere, but it's not a love for the truth.

So a diluting influence comes over them because they hated knowledge They don't want to go into maturity. They didn't want to have a pure heart and they did not choose the what You don't choose the fear of the Lord you want to fear folks So when you fear folks or something else that whoever you fear is who you want Who do you want the approval of if you fear God you want it's true You want to fear some folks and some people or some headquarters of something else you want their approval So you didn't choose the fear of the Lord and it would not accept my counsel and they spurned all my reproof every time I try to leave them so they're going to eat the fruit of their own way they're gonna be satiated with their own devices or the waveredness of the naive is going to kill them and the Complacency of fools is going to destroy them. Did I say there's going to be destroyed? Huh? But he listens to me He's led by the Spirit of God.

He receives reproof. He receives discipline. He shall live securely and He's going to be at ease from the dread of evil because I'm going to put a hedge of peace around him I'm going to be a wall and you know what that wall is the glory of Jesus.

Praise be to God forever more Now we're back over in Hebrews Hebrews 12 now Hebrews 12 Okay, now let's just let's just see this again right now, I think pretty good there in Proverbs So in Hebrews 12 verse 8, but if you're without discipline Of which all have begun the partakers then you're illegitimate children You're not the sons of God whether we bore with the discipline and we respected them and loved them didn't we shall we not much rather be subject to the father love and respect him and Then live receive

discipline and reproof For they disciplined us for a short time. It seemed best to them Our good That we may watch Jerry's hold it simple. I want you to turn right there.

Just turn over to you. Hold your place and turn over the right He shares us so that we may keep this one so we are sharing his holiness. Amen.

Is that right? Now we're in first Peter 1 I Don't want you to see that now that does he say he disciplines us for our good? So we're sharing his holiness. Did he say he's coming after a holy and blameless bride? Did he say you better be found by him and peace? How do you pursue peace by respect the hedge comes when you're obeying God God puts protection around you when you and so that's how You walk in peace, isn't that right? That's the same way. You pursue peace the same way you pursue love If you're not pursuing peace, you're not pursuing love.

You got a perverted love you you're out there and works trying to please God Brank's out there. Amen Okay now Verse 14 1 for as obedient children You're not conformed to your former lust and that's what the Lord discipline is to lead you away from it. Is that right? Is that right Which were yours and your ignorance now, you're not conformed to which worry but like the Holy One now You're gonna be holy yourself and all your behavior Where it's written you're going to be holy Because I am holy and if you address his father the one who impartially judges according to each man's word conduct Yourself in fear during your time of stay upon this earth.

Amen. There's no fear when you got a false security vote And when there's no fear There's no wisdom. There's no understanding.

There's no knowledge. There's no reproof. There's no discipline.

There's no holiness There's no discernment and everybody is destroyed That's the falling away of the life day Now we're back over in Hebrews 12 I'll read it again verse 10 for their discipline for a short time It seemed best of them But the Lord disciplines us for our good that we may share his holiness For the moment seems not to be joyful when you suffer in the flesh. It's not joyful is it? But it's thoughtful yet to those who have been trained by it trained the discipline. That's maturity after it It's going to yield what? A Peaceful fruit of righteousness therefore brethren Strengthen the hands of the weak and The knees that are feeble the powers of darkness have got in on you.

They've stolen your strength they've been tearing your body all to pieces and Destroying you and make your path straight Possess this land Hebrews 3 and 4 what option it said possess it unless you have a evil unbelieving heart Make straight path for your feet So that the lamb which is lame may not be put out of joy And if you walk straight path the powers of darkness are gonna put your limb out of joy, but it's rather it's going to be healed Amen pursue peace That's the hedge and a protection of God with all men and This sanctification which is the will of God without which no one has You're not gonna save the Lord unless You figure you've got you another tower built in the hell of heaven You found another way, which is under the works of the law another Jesus another gospel and another spirit because we talk about the will of God and In Romans 12 1 and 2 and it said better than make your bodies living sacrifices which is holy and Acceptable unto God. This is just gonna be a reasonable service of worship and No longer be conformed to this world. Don't walk talk and act like the world anymore.

No longer conform this world But be transformed by the renewing of your mind That you'll not only know but prove what is the perfect? Will of God, amen Praise God, you're gonna and the only way you're gonna

know it is to walk to walk in obedience to the Lord Jesus Christ now Romans 6 Romans 6 see when you receive this word, it's not the words of men. What do you think it's doing in you? It's performing its work in you. Amen and Romans 6 now verse 1 What shall we say then? Are you to practice sin? Are you to continue and sin at grace might increase In that instant God forbid May it never be how shall we who died to sin still live in verse 15? The church is not supposed to be on the law.

Are they is that right? Shake your head Okay verse 15 what then? Shall we sin? Because we're no longer of the law. We're not on the law. Shall we go ahead and sin, but now we're under grace God forbid may it never be again Verse 14 for no sin.

I mean sin or no sin is going to be master over you because Jesus is your master Or you're not under the law you're under grace if Jesus Christ is your Lord Amen And then Verse 17, but thanks be to become obedient from your what? You become obedient from your heart to that form of teaching that form of teaching is the gospel to which you're now committed in your heart and Now having been freed from sin You're slaves of righteousness now. You always come to the light you receive reproof You receive discipline and you don't let any part of your body or any part of your mind and your heart go to any root or anything except the Lord Jesus Christ because you love him more than you do anything and every time a spirit of God shows You any mistake you make you'll repent and turn from it because you'll receive reproof and discipline. So then verse 19 I'm speaking in human terms because of the weakness of your flesh For just as you presented your members before Previously as slaves to impurity you would you you you practice sin in impurity You had an impure heart and to lawlessness you were just like that fell over there that thought he knew the Lord casting out demons and Miracles and prophesying and Matthew 7 and he didn't know the Lord It just results in further lawlessness.

So now present your members as Slaves to righteousness and When you present your members as slaves to right you turn away from the impurity and laws and what's gonna be the result of it Sanctification and then verse 22 For now having been freed from the sin you become a slave of God. You're enslaved to God. That's what makes Jesus Lord So why do you call me Lord Lord not do what I say? So you're free from sin You're enslaved to God.

You derive your benefit which results in Sanctification and then after you have sanctification You receive eternal life. So that is the will of God Sanctification and a sanctification that you'll have a divine nature and that nature will love your neighbors yourself Thus, this is a way to eternal life and the only way everything else is works of law We have to something you wear the presence of God here. Are you wearing a piece? Are you are you aware that something's happening to you every time you come here the way and Lord purifying a heart? He's going to do such Marvelous things We're gonna get our prayers answered.

He's just gonna do things around us, but he's gonna do it. I had to remove the fresh flesh Because he don't share it Lord with anyone. The only thing it wants glory is the flesh It wants to get some of the glory If they can just get 20% of it, it'll be alright God, but God no one shared 20% of it because You don't have 80% sanctification you have 100% sanctification And I could go on to share some things about sin and practicing sin that I haven't even got a chance to go and get into That just confirms it see the thing about the Word of God Is when you start either look through it through God's eyes Or you look through it through the eyes of tradition look through it through the eyes of a doctrine and Then you have tunnel vision and it makes the what your traditions make the Word of God in no effect God lets people draw near their mouth and their hearts far from and he lets a diluting influence come over him because that's his way God in If you recognize God is God Or he destroys you now.

This is a message that we're preaching This is a message that we're teaching to build up another one please men, obviously, we're not pleasing men and Ministry that we have is not gathered around anything, but Jesus is not gathered around me or an organization Our heart is not tied to any land except Jesus in the body of Christ. So our motive is That we have a godly jealousy for you we have a godly jealousy because we want all your hearts to belong to Christ Jesus and So our motive if we bring the Word of God That we tear down every stronghold All sin and everything in your hearts going to our except the Lord Jesus Christ and we can only do that For the people who will sit and hear the Word of God. I want you to look with me in Titus Titus 2 It's going to really excite you.

I believe Please gonna bless you Please don't answer a lot of questions for you Titus 2 verse 11 for the grace of God has appeared bringing salvation to all men now What does this grace of God do? this grace of God brings salvation verse 12 Instructing us to deny ungodliness. That's what this grace of God in the salvation does it instructs you to deny ungodliness To deny worldly desires and this grace and salvation righteously and godly in a present age verse 14 He who gave himself for us that he's going to redeem us from what every lawless deed and every work of disobedience, amen and What's that word? Purifier sanctify from you. Are you gonna be purified and That's sanctification.

And this is what we're talking about He's going to purify for himself a people for his own possession and they're going to be zealous for what? Good deed. So this is how you prepare for good works. Now.

Let me ask you something Do we get your word say that you lay hands on the sick and they shall recover? If your words say that you're not with all they will be restored But your Bible said it's the prayer Effective prayer of a righteous man that availeth much. Is that right now? All the James is about double-mindedness of the people matter of fact is to purify your heart You double-minded and that's what we're talking about You're walking double-minded your prayers gonna get answered and people people Just keep standing there and they use more oil and everything And the only thing is see it's just one is just a little piece of bread every now and then that like came to that Canaanite woman that came with her daughter She just got a one little piece of the children's bread because she was a dog outside the Covenant She was walking outside the Covenant God and he said it's not good to kill with the children's bread the dogs But she said but the dog her bread the dogs get the bread that fall off the table and he said what caused that answer you get a Crumb of bread and that crumb of the children's bread gonna set your daughter free that day, right? So that's all we've been getting this crumb. You don't say one of me.

It's a crumb here and there. All right now Chapter 3 verse 3 For we once were now circle that word once were which means you're not there anymore You once were foolish you once were disobedient. You once were deceived you once were enslaved to various lusts and pleasures You once was spending your life and malice you once was Indian each other You were hatefully waiting to other you were once were hating one another But when the kindness of God our Savior and his love for mankind appeared that's when you received the light and you received Jesus Then he saved us now circle.

He saved us now It's not on the basis of deeds, which we've done and righteous Righteousness because you're trying to do it that way as the works of law But he saved us and how did he save us? By the washing of regeneration and renewing the Holy Spirit now what is the washing look here the Holy Spirit brings the word and he starts renewing washing your heart there and Renewing your mind see what you wash your heart in rebellion It renews your mind and you begin to think more and act more like the Lord you turn more and more about again You you don't act like the old nature the old Satanic nature of separatists, right? So as a result now, this is very important that you see what I'm fixing to you as a result

of the Spirit of God Which is the grace of God? Which washes your heart the result of the removing selfishness from your heart. All you do is just obey You see it's not you it does it you can't do it If you ever think you can you build another tower in the heaven The only way if you can now he removes the Spirit of God removes from your heart You suffered the flesh you coming when he removes all selfishness and self-centeredness there And as he removes all selfishness from your heart The result of it is that you're going to have a heart that loves your neighbors you fail Amen now that that's what happened because when all selfishness is done and see how to work of the Spirit in you because Branch don't get out there and going to try bear fruit for himself He has to continue in Jesus because the root has to be in his heart of Jesus and everything He does he does in Jesus because he wants to please he wants to please him more than anything glory be to God forevermore I'm glad we didn't stop Okay Now Lord in the name of Jesus. I asked just special blessings on these people right here Lord I just asked signs and wonders father in the name of Jesus I just asked God just abundance of grace the people who are learning to persevere endure and it love your word I ask this right now in Jesus name so Now let's turn to 1st Corinthians 6. This is better me telling some of my nice stories in it.

All right in first So sanctification is and purifying the work of the Spirit of God, isn't that right? So verse 9 or Do you not know 1st Corinthians 6 verse 9? Do you not know either? You know, or you don't know Do you not know that the unrighteous folks? Shall not inherit the kingdom of God Now this is the very place right here that the powers of darkness Satan's going to try to deceive you So do not be deceived. That's reason God put it in his Bible Neither fornicators nor idolaters nor adulterers nor effeminate nor Homosexuals nor thieves nor the covetous nor drunkards nor revelers When you're avowed you're avowed back Nor swindlers. None of these are going to inherit the kingdom of God Is that plain? Now if you know some good Greek somewhere, you can probably twist that around verse 11 and such were if you could circle the word were Such were some of you you used to be fornicators idolaters adulterers Homosexual effeminate covetous drunkards revelers swindlers and the things of flesh such were some of you but you were what? You're washed because Jesus Christ is Lord of your whole heart.

You were washed and then being washed you were what? You're sanctified and then when you're sanctified, that's when you're what? You're justified because Romans 2 that's when you become a doer of the law. Hallelujah to Jesus. You become a doer of the law You are a doer of the law.

I mean you you you fulfill the law and You establish the law. What about that? Well, y'all do you do it all in the name of the Lord Jesus Christ and the Spirit of our God now I want you to turn me to 1st Peter 1 Praise God. Oh, I'm telling you precious Well, I tell you what you just brag on God and he just keeps doing more things like I Tell you what, it's better brag on God and it is folks in it Hallelujah, I believe one of these days I'm just gonna fly off one of these stages up here and I was going just I was gonna start doing handsprings backflips I double over numbers.

I'm so I'm tell you what. I'm so overwhelmed by the grace of God and I can't hardly stand it I'm consumed by the grace of God I've Got just little of nubsets. I'm getting glimpses of grace of God and I can't hardly stand it.

That's all great Hallelujah Boy, praise God. All right, first Peter 1. I want you said folks settle down First Peter 1 verse 3 Blessed be the God and father of our Lord Jesus Christ according his grace mercy causes be born again into a living hope of the Resurrection of Jesus Christ my dad to an inheritance incorruptible unresolved Fade us not away reserved in heaven for you and you're protected by the power of God through faith unto salvation Now let's slow down there verse 5. So this salvation which is ready and it's

going to be revealed in the right time This salvation is on now. We're born again with the Word of God.

Isn't that right? It's a living hope I mean our hope stays all the time the Lord Verse 6 in this In this you greatly Rejoice even though now for a little while if necessary you have been what? There they are right there. Now. There's the trial.

There's the affliction and persecution. It's distressed by various trials Amen now Verse 7 that's the proof of your faith. It's God's gonna let your faith be proved Did he let Adam and Eve's faith be proved? Did he let the faith of Jesus be proved if it's Satan test them all he's testing you he let the angels beat their proof faith be tested and proved and The proof of your faith is going to be more precious than what? Folks when you come through the fire and the only way you can come through the fire the Spirit of God is don't come through these tests That's how you become gold.

You know, tell you what the goal is. That's divine nature Amen, I thought I'm seeing that all over you bill. I'm doing just being born.

Just a pure heart boy I'm just so blessed. I'm telling you what and I get around people like this at that They're unashamedly and I just see that. Oh, I just see that Jesus have a whole their heart.

I just say I can hardly stand it All right But the proof of your faith is more precious than what? Goal, which is perishable even though it's what? Now your faith is tested by fire now What do we find that fire to be the Sun and being scorched that's persecution and affliction in that, right? and So when the pressures and everything come upon you you're either going to respond in the flesh Are you going to die and trust the Lord? Is that right? When the pressures and everything you're either going to respond in the flesh Are you going to die and trust the Lord? Is that right? And Then when you have you suffered a while what the Lord's gonna do he's gonna Perfect you confirm you and then you're going to be established after you have suffered for a little while. Amen If you're gonna prove you love you love the Lord more than you do yourself first So aren't you you're gonna prove you love the Lord more than anything because you don't love the Lord more than anything else You'll never be obedient to him. And so this is a testing ground and see if you're worthy for heaven Everything that don't walk in love here not gonna go to heaven Can I tell you? All right now verse 9 Now you obtain the outcome of your faith, which is going to be The salvation of your mind will and emotions it's gonna be the salvation you sold, right? Yeah, I mean all of you it's gonna be safe I Mean your body is gonna be destroyed, but you're you know, the you're gonna have the mind of Christ.

Is that right? As a beaded children verse 14 do not be conformed those to these former lusts now That's what you supposed to give us which were you're in your it ignorance But now like the Lord Jesus Christ the Holy One who called you you're going to be holy and all your behavior because you're gonna be Tested by fire and you're gonna be distressed but trapped for trials and this is the salvation That's being revealed to you, right the sanctification So you're gonna be holy in all your behavior because it is written. You shall be holy For I am holy now, let's read 17 and if you address his father the one who impartially judges according to each man's work That's how he each man's work is what your fruit is in it Conduct yourself now in the fear during your time of sayeth on the earth Now look at verse 22 since you have in obedience to the Word of God and it be just a truth. What have you done? You have purified your soul Now when you obey the Word you purify your mind will emotions or is that right? Now that's the part that the powers of darkness back when you when your heart lives for love They attack your mind will emotions.

They carry your mind will emotions all the pieces But when you're obeying the Word and led by the Spirit of God you purify your mind will emotions for a sincere love of the watch Brethren, when you obey the truth, I'm going to tell you this is how you fulfill the law by loving one another as yourself It's a sincere love the breath. It's not deceitful like motive Heart and that's what God put us for here. And and and and you know, it got perverted by Satan Verse 23 selfishness and self-centeredness and self-love people's love waxes cold Well, you have been born again born again.

You're born again Not of seed that's perishable But but imperishable that is you're born again through the living and abiding Word of God now Let me ask you something anybody can be born again or worst to find themselves a security whereas The Bible just becomes a religious exercise And you don't have to read it, but if you and you have acceptable sins and you have sins it's not acceptable You can practice some sins don't practice those pool rooms in By all means quit drinking smoking chewing and cussing Are you hear what I'm saying? But it's all right to have bitterness and go out different doors. It's okay to have unforgiveness judgment criticism And I'm going to tell you it's not okay folks and chapter 2 verse 1 therefore it says Here's the way you do it verse 1 now all of chapter 1 first Peter 1 and 2 is about a divine nature First Peter 2 verse 1 therefore put aside all malice here here goes the flesh you put aside Oh God was any gall found in the mouth of Jesus Gal is you know, it is the works of the flesh coming out of your heart, right? You put aside all apocrysis saying one thing and walk another you put aside all envy and you put aside all slander Oh, it's not coming out of your mouth because what kind of heart you have you're possessing the land. Is that right? You're not like newborn babes long for the pure milk of the word that by you may what? You're going to grow in what? Respect the salvation because this word is going to purify you and can you come in the sanctification in and sanctifications when you're going to? See the Lord, is that right? That's how you can conduct yourself in fear.

Is that right now? They've got these volumes more I can say about that right now, but could you kind of receive that for now? Don't let nothing kick you first five You also as living stones That's what we are we're built up into the spiritual house now the living stones of the spiritual house is not stone and wood Is it brick? We're the church Because we are a holy priesthood. You see holy and we offer up spiritual sacrifice except for God through the Lord Jesus Christ, don't we so Let's look at birth Well, I see I didn't mean to go down there So I'm going to go ahead and show you something verse 7 This precious value is those who believe for those who disbelieve the stone which the builders reject their builders reject the stone today don't think this became the very cornerstone and You know when you reject any part of the Word of God, here's what you do Here's what if you you're rejecting Jesus He becomes a stone of stumbling and a rock of offense when you become offended by any part of the Word of God Jesus becomes a stumbling stone to you and he's a rock of sin Therefore you're stumbling because your hearts really in disobedience to the Word and to this doom. They were also appointed.

Is that right? I Didn't mean to go there, but I'm glad I did now go to verse 21 For you have been called for this purpose since Christ also suffered view. What did he do? He can't Jesus came here to show you how to be reconciled back to God and this is a word of reconciliation Is that right? He that left you example of you to walk in his steps and following this step who now Here's the example. He he did not commit no sin Nor was any deceit found in his mouth.

He wasn't deceitful and so he doesn't want deceitful and If you have to make a mistake and make him a sin, you can go to sacrifice, but you know, you're not doing it willfully. Amen Okay 23 and while Being reviled Jesus did that people come about get Jesus and speak condemnation and slander and discredit him Right. He did not revile in return.

You see that he didn't he didn't revile back And that's the way the example for you and I are not to resolve back while suffering He when he got the trowel now if I could walk down and get a hold that preacher again I'd start pressing on him when the trowels and the fire came on him, you know He uttered no threat when it while suffering he didn't utter no threats, but he just kept on standing in the words and Trusting himself to the him who judged righteously. Is that good? So here is the purpose of what Jesus did at the cross and he himself bore sins in his body on the cross that you might watch You're going to die to sin and then what's the next part you're going to do? You're going to live right to see and then that's the way you finish receive the finished works of Calvary for by his looms You were healed That's when covenant comes to you when it's established when you die to sin and live the righteous use establish the covenants And then that's when when you receive the benefit of and that's where the prayer of a righteous man has failed us much. Amen Amen, praise God now Chapter 3 I'm gonna skip some here Verse 18 For Christ also died for sins once for all for the just for the unjust in order that he might bring us to God having what Put to death in the flesh and that's the way we'll put to death in the flesh But he's made alive in the spirit And that's how you and I walk and if I had time to go over in Colossians 2 4 through 6 be on right it there You can see it because that is our circumcision that we put off the sins of the flesh That's the circumcision that we have today, right? We're the people of faith we're sons of Abraham and and We have that circumcision.

All right now in first Peter 4 Therefore since Christ has suffered in the flesh Arm yourselves all with the soul of the same purpose because he who suffered in the flesh has ceased and sin Now that's doing the will of God you suffer in the flesh when these trials and afflictions come on you So as to live the rest of the time in the flesh you do have no longer for the lust of men You're not gonna leave the fleas men But you're living with the will of God and the will of God is what sanctification of pure heart. Is that right? Is that the will of God sanctification to have a pure heart, right? Okay. Now Look at verse 12 beloved do not be surprised then that when these fiery ordeal all these pressures and And You know James one said to count it all joy, but don't be surprised it is far ordeal among you Which comes upon you for what? It's going to come up for you for your testing as though some strange thing were happening to you Now you expect these things you're going to be persecuted.

You're gonna be died the flesh but each time Folks listen as you go through these things, let me tell you what happens This is how the power and anointing comes more and more on you as you die Because in each thing that you pass test you prove yourself to love and you get promoted I Mean God just puts more on you. I'm gonna tell you and he's just gonna be doing more through you That's absolutely true Verse 13 put the degree that you want. What are you going to do? You share the sufferings of Christ now? What did Christ come here for he came here to show you how to? He come here to lead you and To show you how to be rid of the selfishness and rebelling to God That has held and smoked on everybody in the world, right? I mean the world's already judged I mean the judgment or after God's on them and he come here with covenant to lead some folks out of it It's like to find get rid of this rebellion out of their heart.

Amen But when you continue to practice you prove you love it more than you do Christ, right? Now that's the purpose of Jesus he was Came as a light to people sitting in darkness in the shadow of death and he became life to the people sitting in death, right? Okay So we share his sufferings right there now I wish you would just hold your place right there and turn me back to James 1 All right, turn me back to James 1 James 1 now now look right here in James 1 verse 2 Consider it all joy by what? We're talking the brethren when you encounter various trials now folks Isn't that amazing statement right there when all the pressure of trials come on you to count it just joy Now see that's supernatural and that's where we

supposed to be walking and standing at Knowing that the test of your play faith is going to produce endurance every trial that you go through something's gonna die in you And Then you're just gonna have total peace and you know, nothing shakes you anymore, right? okay, and Let endurance verse 4 it's going to have a perfect result Yeah every time and this is how you endure to the end that you may be perfect You're going complete because you're really lacking in nothing if you stand and walk in that particular place right there. Is that correct? All right now Blessed is a man well, I'm gonna read a little 11 right there for the Sun rises and with a scorching wind and Withers the grave you see enough there that I need to say anymore That's the trials right there come in see this all comes for James 5 14 and 15 But I thought I was going to handle some of that some other time, but you see it there what we're talking about So when you when you go through the scorching wind and then you don't weather and everything you come out sanctified. Is that right? All right But blessed is a man verse 12 who perseveres under trial he's going to have be sanctified for once he has been approved He's going to receive the crown of life Which the Lord has promised to those who love him and one that love him going to obey his commandments Now let no one say when he's tempted.

I'm being tempted for God God's not the one that tempts by evil and he himself doesn't tempt anyone It's not it's a devil that comes around with the temp you after obeying But each one is tempted when he is carried away and he's in task, but what love now, this is the fiery trials It's talking about that You are tempted and you are in task type the lust of flesh if you and if you don't put it to death And then when if you let this lust come in, it's going to carry you away Do you see it verse 4 what you're going to carry away from it's going to carry away from the faith and that's falling away Then when last is conceived that's for people It won't walk to the light come back to life So when last it's conceived that means you receive these darts and everything take it in your heart and start agreeing it and walking in It let's can see if that's the seeds of the devil Seeds are obeying seeds of the flesh and it gives birth to sin sins rebelling to God and then when this sin is accomplished It's accomplished when you're in agreement with your heart then it brings forth death because that's when the powers of darkness are able to work because Jesus came to To let me just read it Hebrews. I wish I hadn't even said it right then but it got started so I've got to say for You know what? It says he might render powerless him who had power of death. That is the devil You see what I mean? He's gonna rend him power rendering powerless now So so when the Lust is conceived after obeying you get agreement with your heart It gives birth to sin and then sins accomplished when you act on it and then it brings forth death Now wonder who it's talking to right here verse 16.

Do not will be what? deceived by who Beloved brother boy, we need some academic and intellect here to tell us who that might be talking to don't we? Because it says brethren can be deceived. You know, why? Did you say brethren can be deceived? Brethren, I think I'm glad to be in sound like salvation to walk doesn't it like saved and being saved in there, right? Okay, now I want you to turn me over in first Peter 5 now, that's where we were I'm gonna I'm gonna go to 4 of 19 1st 1st Peter 4 19. Therefore let those also who suffer according to the want I Can't hear you You're going to suffer according to the will of God the will of God's ones going to help me Is that right the will of God's one that did that sanctifying there? Sanctifying their hearts purifying their hearts in trust their souls to a faithful creator in what? Doing righteousness doing what's right in God's eyes But we see right there resisting in your faith suffering or being accomplished by a year of what? Brethren, we see right there in verse 9 We got something to say to the brethren again Did it say while ago at the brethren could be deceived that they'd be tempted after lust and carried away.

Amen All right. Now we know we're talking to brethren. Let's see what it says the brethren back up in verse 8 Brethren be of sober spirit Brethren, you be on the alert now the object of being serious and on the alert is someone who's in the war They have no warfare.

They've maturing and there's having their senses sharpened discern good and evil They are have up their weapons and they're on the alert and they're not asleep now sleep people are like over in Revelation 3 lay out of see it's already rich and increasing good. She's already arrived She's blind can't see naked poor and lost you understand what I mean? But this right here That right here. It says you Brethren, you be sober and alert because your adversary the devil the powers the darkness they pal about pal about they're like roaring lions and They're seeking Some brethren to devour They're seeking brethren to devour.

Is that playing? They are seeking brethren to devour now, you know why we know it's brethren We're talking to brethren and saying brethren there. They're going to come to try to get you But it says brethren Ignore them No brethren resist The powers of darkness firm in your what? Faith now the power the brethren all the one it can have faith. Is that right? And Example it Jesus showed us in Luke 4 when he went through all the temptation yet without sin and in the 14th verse He received the power after proved his heart holy and pure.

Is that right? But resisting firm in your faith knowing that the same experience is of what? suffering now brethren suffer every time the powers of darkness come and suggest something you in the flesh to take it when you have To put it to death. You're going to it's going can you give up pride? It's going it's going to suffer when you give up lust When you give up greed you're going to suffer you understand what I mean You're going to suffer when you give these things up And that and it's what they're going to come to come make greed alive and then when you choose against it You're going to suffer when you give up anger. You're going to suffer when you give up Are you here? What I mean spite and grudge and unforgiveness you're going to suffer you flesh But the same experiences of suffering of being accomplished by your what? Brethren who in the world now here is the trials that come to in verse 10 and after you have what? Now after you've suffered for a little while and you've gone through these trials and you're proving your heart here The God of all grace has called you to a seat terms glory in Christ.

Here's what he's going to do He himself he's going to perfect you Then the Lord is going to confirm you then he's going to pour strength down you and then he's going to establish you second Peter 1 verse 4 So here's how after you've done these things you've been confirmed strength and you you resist the devil you come through the fire This is coming through the fire right up here what you see in resisting the devil and dying the place not reviling back when your vow and of the result of this in second Peter 1 verse 4 by these he has granted us his precious and Magnificent promise in these promises here. This is this word In order that by this word right here in these promises. You're now going to become the takers of what? that's how you you you you you put to death the old nature and you put on the new nature and This is the way you escape this born born again with the Word of God and having escaped the corruption That's in the world by love and that's exactly how you did it.

Amen So we see right there if we just continue on we see the fruit of divine nature right there in verse 5 now see that all the first Peter is to come to that that divine nature and that divine nature is a sanctified heart and We see there in 2nd Peter 1 verse 5 Now this very reason you have diligence and in it's the house faith and the faith to moral excellence the moral excellent Now this is result. This is the fruit of your knowledge. You're going to have self-control self-control You become strong and resistant sin and perseverance and in your perseverance you're gonna have guidance in your guidance You have brotherly

kindness in your brother kinds You're going to have love and and you Lord Jesus Christ, but we run into something right here in the next verse Now I want you to watch it very closely But he who lacks these qualities if this is not in your life They're blind.

They're short-sighted now. There's you're looking at Laodicea right there. They're short-sighted They having for forgotten it But I want to read this to you just one more time when you forgotten your form of purification for sin That's what you repented from and if I rebuild what I want to destroy it Prove myself a transgressors you supposed to be destroying the flesh nature And if you rebuild it you prove yourself a transgressor because he said in verse 17 They finally seeking to be justified in Christ your found sinners Christ not diminished this sin You're not being led for the Spirit of God right there So you are have forgotten your form of purification and you've turned back to the pig pen There's a dog turn there's a vomit you see over in the next chapter 2 Therefore brethren You better be all the more diligent.

You better make certain About his calling and choose for as long as you want If you practice these things, you're never going to stagger and stumble. You're not gonna be a drunkard You're never going to stumble. You're never you're going to know the way I know when you start some verse 11 for in this way The entrance into the eternal kingdom of the Lord Jesus Christ will be abundantly supplied to you now once more we see the divine nature Sanctification we see this the way to eternal life.

Are you seeing that plainly? Oh You see that now. I want to just show you something about being blind now revelation 3 I Want to show you the opposite of that of a person being blind right there revelation 3 Revelation 3 let's just start in verse 15 Said I know your deeds now. What is he saying right there? I know your fruit I know you walk that you're neither cold or hot Let's go on Verse 17 because you say I am rich in other words rich folks are already arrived I have become wealthy.

I have need of nothing now now let me just show you who these folks are. Let me just show you When you are loving Jesus is going to come to those who eagerly await him, is that right? All right. Now if your heart loves the flesh of flesh loves the world if your heart if you love the world You're not eagerly awaiting the return of the Lord.

As a matter of fact, you're going to shrink back. You know what I mean? All right now a person who Still loves his flesh. He's going to build his kingdom here on earth now He'll do the things of the Lord He's gonna build his kingdom Lord and when you already arrived here and you got your name reptate all these things of the flesh here you do religious things and You're already rich You're already arrived because you don't have to be led by the Spirit of God Because you've already compared yourself among yourself and measured yourself by yourself and you're without understanding You're deceived because you've already gathered yourself to a false security.

It's a foundation of sand This is why anybody think they're already right. They're not conducting himself in the fear of God when you've already arrived You know that don't you now, let's just see right there What he says Because you say I'm rich I've become wealthy and you really have need of nothing and have a need of nothing Maybe you'll already arrived. You're already there and You don't know that you are wretched.

You don't know that you're a miserable person. You don't know that you're poor You don't know that you're tormenting and judgments on you. You don't know that you're blind You don't know that you're lost naked.

You don't have the garments of salvation or overwrite. You don't know these things You don't know them you already arrived and you're already there now That's the ones who lack those qualities which we read about in 2nd Peter 2 They're blind if you're not worried the divine nature. You're not now.

He said verse 18 I advise you to buy me gold refined by fire. Now. What is he saying right there? I'm advising you to go through this fire and to be purified and come out like gold.

Is that right? Buy it for me and let me lead you want you to repent and let me bring you on through this fire And then you're going to have divine nature the goal. Amen Now, but see right now hell's on you and you're you're you're headed this way and right now you're you're lost. Amen but I Advise you to buy me gold refined with fire divine nature that you may and then you're gonna become rich and then you can have Garnet and then you may clothe yourself and then this shame of this lostness and nakedness may not reveal reveal and there's some I say If you're going to have to know what your eyes you're going to be able to see then disciples only way to see they'll just keep On seeing don't perceive or under here understand if you have ears to hear or not see right? Now verse 19 now watch very closely what he says those whom I love I reprove and discipline But you are not receiving reproof and discipline Because I see your deed and you think you've already arrived and you don't know that you're miserable that the powers of darkness are tormenting You that you're poor You're blind.

You're naked. You're not you're lost. You don't know this But it's the ones I love I reprove and discipline and you're not receiving Discipline me because you're not coming through the fire to become like gold.

Amen. Do you see that? So be there zealous therefore and the first thing you need to do is what repent Or you'll die in your sins now behold. He says I'm standing at the door.

I'm knocking if anyone to hear my voice and He'll open that door I'll come in and I'll dine with him and he'll die with me. What does that mean? What are you gonna die? No, you're gonna live by every word that proceeded out of the mouth of God Which is going weird. Are you folks don't you folks live on what we're doing right now? You've come to dinner You're done it with Jesus.

He knocked on the door and got in Amen He's not if you're not offended then he's not a somersault he likes it here that's really changing some hearts and lives man, dude boy He got in How they gonna be some folks that come knocking on his door and they can't get in the art In just a few days salvation gonna be shut off How do you knock on the door? The door of Jesus you're praying to be saved you can't and all the torment and hell is coming on earth They never been a time like it right now now verse 21 he said the one who overcomes He's the one I'm going to grant to sit down with my throne now, what is there overcome? What I the world of flesh you overcome by having Receiver of proof and discipline you overcome but coming through the fire you overcome by coming out like gold This is the way you overcome and that's the one folks. You see it That's the one that's going to sit on the throne with Jesus As I was overcame you're going to overcame as I overcome already showed you walk as I walk you suffer as I walk you sat Down with my father on his throne. Is this this plane? Now One last thing If you have a ear Let him hear what the Spirit says to the hoop churches now You're hearing it I've read, you know, it's a long time.

I read this and I didn't have a year to hear Now I've got a year to hear I can see what he's saying So I thank God for the grace. We don't hear things because we smart we the natural mind understands not the things of God That's the problem that that academic and intellect are going to fall I be said not my many wise a the flesh gonna be called because we've trusted the wise After the flesh to hear from God and we're gonna be intimidated and let them be the king And then we won't have to hear the voice of God

That's the way it was when he wanted to come off the mountain didn't want to hear the voice of God It was it rather Moses talked to him, right? So if they don't like to hear because he comes and shakes things brother if your hearts not right in there, right? I mean he had the law to speak. He spoke Matt law He said you're not going to do this.

You shall not steal. You're not going to have idols in your heart You're not going to have You you know about any graven image your hearts going about him He's saying it today, but a lot of folks don't like to hear that. They like to hear somebody else interpret it from God Are you know what I'm saying? See, that's the law.

It's time to get there by right now if that's where you want to walk in but the poor blind and naked and There those who love are approved now, I want you to tell me Galatians 2 I want you to see it again Galatians 2 verse 17 if while seeking to be justified in Christ You're found to be the sinners. Are you purifying your heart? Are you being sanctified? Huh? And without this sanctification did your word say you're not gonna see the Lord Does that bring a little fear in your heart? Does that huh? All of a sudden this is not ho-hum God is it? Christ then is not the minister of that sin is it? No It's a different spirit verse 18 for if I reveal what I want to destroy it I prove myself to be a transgressor your transgressor the law and You receive reproof and discipline if you come back to the sacrifice, you know what I mean? But if you don't receive discipline Then you're practicing rebellion and when you practice sin you make an idol in your heart and you make an idol in your heart You found something more important and you love more than the Lord when you find something more important the Lord You're carried away and you fall away. Amen Are you seeing that? Now it's everything I'm saying still love in it Because here's what they did over in the next chapter verse 3 Galatians 3 3 are you so foolish haven't begun to the spirit? Are you now being perfected for the flesh? Are you now going to turn to the flesh you you've said your words now and you've done your thing You're not going to go back to the flesh Now that's a problem that you reveal what you want to destroy you prove yourself to be a transgressor now verse 10 Or as many as Are the one Works the law you under a curse and that's just exactly where it puts people and that's why he's talking about over in Revelation 3 You don't know that you're miserable.

You don't know you commit. You don't know the torment in the hell. It's on you You see you don't have because you don't have any understanding because you blind and you just can't see now Christ You know a verse 13 resumed us from the curse of the law the law brings a curse when you're on the works the law you're walking out of the law and the curse is on you and the curse moves the heads and The fires and the tree cutters come in and they come and gather and you wither you won't go through the fire You won't be a being God because your heart's turned somewhere else Are you saying and which proves you don't really love the Lord with all your heart now? Let's just read it again and see if this has changed anything the last time you read it Matthew 47 14 for the gate is small and the way is That Leads to life and fear of those who want to fight it that verse keep changing every time you read it.

Ah The gate is small narrow and few that go to heaven Are you seeing that? Do you know that the Lord has the vessels of wrath and vessels of mercy? The vessels of wrath he let them be destroyed the vessels of mercy With his patience and kindness he leads them in to having a divine nature understanding So man better be careful about his mouth only the flesh wants to boast He's still anybody boasts. He's still in the flesh Now verse 15, but where are the false preachers? There's going to come in you and these sheep clothing But their hearts are still living at the flesh and if their hearts still live at the flesh You know what they're going to do They're gonna be like a wolf They'll take the things that God show you things you never knew before but they exploit you and use you and that's exactly what 2nd Peter 2 showed you verse 16

You're going over for the fruit when you see this thing come out of their mouth And you don't know where their heart is verse 21 Not everyone who says to me Lord Lord did enter the kingdom of heaven, but he was what? Does the will of God now do you see the false false? False prophets and false preachers going to leave people to bear the wrong fruit and they're going to shed their blood, right? They going to come as sheep, but inwardly of their wolf their hearts are trained in greed See a heart's training breeds when you don't submit to the Spirit of God And so you're deceptive in your heart and your motives are wrong and you take the things of God Oh, you go out and help God out a little bit while you build yourself a build things around yourself Now they'll they'll lead you not to act on the Word of God. Therefore Your nature remains as a man who cast out demons and prophesied there and did miracles But he continued to practice laws.

He continued in sin You see what I Jesus said I never did know you now the powers and darkness moved in on that man another spirit and another gospel and Another Jesus and he moved in on that man to draw people to the man Are you saying what I'm saying? So you don't go by signs and wonders is a speaking in tongues or a three by five card or anything you go people's fruit you see if they come to life and You're sanctified but doing the will of God so they're going to say in the last day Lord Lord He said I don't know you your heart followed men your foundation with sand you love people more than you love God turn to Luke 13 Luke 13 verse 23 and some said to him Lord as just a few of being safe and He said verse 24 you better thrive you better do your best to get in that narrow door for many folks I Tell you're going to try to get through that narrow door, but they're not gonna be able to Because once the head of the house gets up and he shuts that door was it shut on the ark when the blood came And the days of Noah, I think there's gonna be a days of Noah again. You're right in the middle of it What's the head of the house gets up and shuts the door and you're going to stand where? Outside now, you know the ones that stood outside, you know in the parable the word they were outside the kingdom There wasn't disciples and they were outside and they couldn't see hear understand. You remember that? Okay, but they stand outside.

Now. That's where they do in the parable the word they can't perceive because They stand outside and they knock on the door. Now, what are they gonna knock on the door? Knocking on the doors like I said, Jesus is the door and they're going to not praying to get into the ark praying to get into heaven and Jesus the Lord will say and they'll say it Lord Lord and who are these he's talking about Those who bore the wrong fruit who did not do the will of God.

Are you saying what I'm saying? huh, they bore the fruit of rebellion and flesh and And and it Lord opened up for us then he will answer them and say you I don't know where you're from You're not in my household You're not in my household and then he began to say well we ate and we drank in your presence and You taught in our speech, you know where we were walking with you Lord You know where we walk with you you come and you talk and our church, you know for 35 years. I heard you word 50 years. I heard you word Lord.

You remember all those things I did. I cast out demons. I prophesied You know, I did miracles all in your name.

You talked to her and I went and I just carried your word all over the place And he'll say to him he will say I tell you I Don't know where you're from depart from me all you evil doers Who bear The wrong fruit your doctrine was saying you didn't obey God's Word You didn't do the will of God you didn't purify and sanctify your heart and You're not gonna receive eternal life because all you did was just work After the flesh it was works of the flesh Your heart trusted in men Your heart trusted in ungodly doctrines, you never did turn me

the whole heart If you had all my heart I could have led you and all truth Because you would have believed it when I said if my words not for private interpretation I'm no respecter of people, but you want to make it comfortable complicated in some specific simplicity and Purity of devotion to Christ. You didn't seek me If you'd ever so sought me you would have turned from the ungodly sin and so If you turn back to Luke 6 verse 49, but the one he hears the Word of God and Doesn't act alone the Word of God He has a heart in the heart and that's a sin unto death and that's what ungodly doctrine It does not conform you to God and it teaches you to do it gives you a security and then you resist the Word of God and the sin unto death is the wind no word of God. You could never come to the Word of God Because you're programmed and that's doctrines of demons And if you want to know more about that, you stick with me another day or two.

It'd be plainer. It already is It's not acted accordingly. It's like a man.

He built his house on the ground without any foundation. It doesn't act upon the Word he doesn't have any foundation a carnal doctrine doesn't give you any foundation and then that river As the powers of darkness they burst against it immediately it collapsed and run that house The run of that house was great verse 46 Why did you call me Lord Lord and you didn't do What I say you didn't do you called me Lord Lord And you never did do what my word said because your heart Was somewhere else I don't know you You're not in my household You don't bear my fruit This concludes tape number six, please fast-forward this tape to return it to the beginning Please proceed to tape number seven where this message continues for additional tapes right be fruitful and multiply post office box one six double o six five Irving, Texas Seven five oh one six, that's post office box one six.
