

Testing the Spirits & Lying Prophets

by Philip Powell

Philip Powell emphasizes the importance of testing the spirits and discerning truth from deception in faith.

Duration: 1:07:22

Scripture: Revelation 22:18

Topics: "Discerning Spirits", "False Prophets"

Description

In this video, the speaker addresses a crowd and encourages them to be quiet for the video recording. However, he tells the viewers at home to feel free to express their agreement or disagreement. He mentions a man from England who encouraged people to wait for something called 'it,' but the speaker disagrees with this approach, stating that the word of God should be analyzed and examined. He then briefly mentions a story from the Bible about an evil king named Ahab and a man named Naboth. The speaker warns against casting away rational thinking and warns against confusing the Holy Spirit with other spirits.

Thank you Pastor Rex, it's a great joy to be with you here in the Old Testament. Now the word test, you are the test, you are the test. In other words, and it may not be very clear, it's not just, it's what's real and whether or not it's a test.
