## Transcript

Whoever loves son or daughter more than me is not worthy of me, and whoever does not take up his cross and come after me is not worthy of me. He who finds his life will lose it, and he who loses his life for my sake will find it. I had wonderful fellowship with this brother.

We've seen the power of God. We've seen the evil spirits come out, people writhing like snakes on the ground. We've seen people get set free, and then there was a prophetic word that came.

This brother had a gift. He could look at people, read their mail, and the secrets of men's hearts would be revealed, and people would fall on the ground and repent. But God doesn't say that the gifts commend us to God.

It's the fruit that commends us to God. He says, my father is glorified when you bear much fruit, and your fruit remains. Not that you can prophesy with 100% accuracy, or that you can preach to the winds and men cry out, what shall we do?
