Transcript

The brother gets squeezed like an orange to is it pure sweet juice that comes out. What comes out when you squeeze someone? That's how you're going to know where they're at spiritually. When you see you touch their wallet and they get angry.

You know, you hear somebody have a little laugh at them and you see how they react. You know, we have to be careful that when we see these attitudes of the heart, the selfishness coming out of our hearts, that we repent of these things. And then when we see it, we have to make those things right.

We can't just stay in the same spot and call ourselves something. We're a goat, but we call ourselves sheep. The last thing we want to do is stand at the judgment seat and realize that we're going to the left and we're not going to the right.
