Transcript

I have a group of friends of mine who we call ourselves the revivalists, just guys who are passionate about revival and praying for revival. And we made a commitment, we call ourselves the community of the burning hearts. We just made a commitment that we want to be the hungriest men on the planet for God.

We just are hungry for more of God. And when I was putting these together, the Lord convicted my own heart. And I started asking myself the question, I'm not doing what I feel like God is calling me to do.

Number four, here's the last one. What is a priority over Jesus, brother or sister, in your life right now? Student, what is vying for your time, your affection, or your attention right now? I want to end where I started. Don't fall into the trap of doing ministry for Jesus, good things for Jesus, separate and apart from intimacy with Jesus.
