## Description

Roger W. Cabe delivers a powerful sermon urging for national and personal repentance, highlighting the moral decay, pride, and hurt present in society. He emphasizes the need for humility, prayer, and seeking God's grace to heal the land, homes, and hearts plagued by hatred, anger, lies, and selfishness. Cabe calls for self-reflection, acknowledging that the sins in the nation and homes are rooted in the hearts of individuals, urging everyone to pray for healing and restoration.

## Transcript

We have seen the flames of freedom diminish

We have watched the signs of moral decay

From the White House to the church

There is pride, disgrace, and hurt

Don't you think it's time

We bowed our heads and prayed...

Heal our land,

Come and heal our land,

We are crying out to you, Lord!

Come and heal our land.

As we turn to seek Your face,

Won't You come pour out Your grace.

Come and heal our land today.  
Our land is filled with hatred and anger  
And our families are paying the price  
For our lies and selfish ways  
Our children go astray  
Don't you think it's time  
We bowed our heads and cried...  
Heal my home,  
Come and heal my home,  
We are crying out to you, Lord!  
Come and heal my home.  
As we turn to seek Your face,  
Won't You come pour out Your grace.  
Come and heal my home today.  
When will we do our part,  
And see these sins in our land  
And these sins in our homes  
Are the same sins we have  
In our hearts!  
We all should be praying...  
Heal our heart,  
Come and heal my heart,  
We are crying out to you, Lord!  
Come and heal my heart.  
As we turn to seek Your face,  
Won't You come pour out Your grace.  
Come and heal my heart today.
