It's not about the lights. It's not about the eloquence of the person standing up and speaking on stage like me I've told you I've said this two weeks ago. I have asked the Lord.

I've repented for the Parts of idols in my heart that I have found that made me believe that eloquence can raise dead people. I Don't think it's just not a good idea. I just don't think it's an illogical idea.

I think it's a sin So that's why I repent of it Because I say God I'm a fool for thinking that I can stand up here and by parsing words and by stitching the right kind of stories together and getting people all In the middle of my palm that I can raise them to life. I've forgotten what it's all about that salesmanship. That's not resurrection and I repent I Asked my God after every time I speak God was that salesmanship or was I really searching for dead people through the power of the Holy Spirit
