Transcript

Key, those speaking the truth are often called troublemakers. Now, this is an important key, because modern-day Pharisees will use this verse, say, yeah, see, I'm telling people off, I'm in their face. No, no, no.

It has to come from a humble, gentle, broken spirit. The angry prophet has to be just as loving, correct? And I will tell you, I've been transparent. That's the hardest balance I'm trying to find, because I can tell people off really good, in case you haven't noticed.

But you have to be bold in this culture.
