## Transcript

Oswald Chambers, remember I talked about him this morning? His exact words. I was searching for that definite baptism of the Spirit, but the Bible was the dullest, most uninteresting book in existence. As a Christian, do you know that's not uncommon at all? Because if we're feeding on darkness and death all week long, and things that we shouldn't be watching, and our appetites are wrong, we're not going to be hungry for the things of God.

It's boring. I don't want to hear that. I don't want to read that.
