## Transcript

Prayer is seeking God. And the more I seek you, the more I find you. And the more I find you, the more I seek you.

It's travailing, it's communicating, it's petitioning, it's fighting, it's contending, it's warring, it's battling where you're pulling down heaven. This is how I fight my battles. Not by preaching, but by praying down heaven and saying, God, we lay hold of you.

We're trailing when Zion travail, sons and daughters are born. And if we could get the church back to the prayer meetings, if we could get the church back to the heartbeat of prayer and crying out to God, I believe we would see him move in a powerful way.
