## Transcript

The Holy Spirit descended upon me in a manner that seemed to go through my body, through me, body and soul. I could feel the impression like a wave of electricity going through and through me. Indeed, it seemed to come in waves and waves of liquid love, for I could not express it in any other way.

By the way, Finney was a lawyer, a very analytical man, and God had to get a hold of him. It seemed like the very breath of God, but I can recollect distinctly that it seemed to fan me like immense wings. No words can express the wonderful love that was shed abroad in my heart.

I wept aloud with joy and love, and I do not know, but I should say I literally bellowed out the unutterable gushings of my heart. These waves came over and over me, one after the other, until I cried out to the Lord, I shall die if these waves continue to pass over me.
