"Your name will no longer be Jacob, but Israel, because you have struggled with God and with men and have overcome." Genesis 32:28

Oh the power of private prayer! It has a kind of omnipotence in it; it takes God captive; it holds Him as a prisoner; it binds the hands of the Almighty! Yes, it will wrench a mercy, a blessing, out of the hand of heaven itself! Oh the power of that prayer which makes a man victorious over the greatest, the highest power! Jacob, though a man, a single man, a traveling man, a tired man, yes, though a worm, which is easily crushed and trodden under foot--yet in private prayer he is so potent, that

he overcomes the omnipotent God! He is so mighty, that he
overcomes the Almighty!
