Thomas Brooks emphasizes that God's wisdom orchestrates our afflictions and losses to ultimately benefit us, portraying God as a wise and skillful physician who transforms our hardships into blessings. He illustrates how God can turn poison into healing, diseases into remedies, and crosses into crowns, assuring us that nothing can truly harm us while we are under the care of an infinitely wise God. This perspective encourages believers to trust in God's plan, even in difficult times.

Transcript

God's wisdom so tempers and orders all afflictions,
crosses, and losses--as to make them work kindly
and sweetly for our good. God is that wise and
skillful physician, who can turn . . .
poison into cordials,
diseases into remedies,
crosses into crowns, and
the greatest losses into the greatest gains.
What can hurt us, while an infinite wise God stands by us?
