

These Harsh Dispensations of God

by Thomas Brooks

The godly are able to see God's love and goodness in even the most difficult and harsh dispensations.

Scripture: Romans 8:28, James 1:2

Topics: "God's Sovereignty", "Trials and Tribulations"

Description

Thomas Brooks emphasizes that even in the harshest dispensations of God, believers can find comfort and hope, as all things work together for their good. He explains that the godly can interpret severe trials and distressing circumstances through the lens of God's love, recognizing that these experiences ultimately serve to advance God's glory and their spiritual growth. Brooks reassures that there are no hidden curses in these trials, but rather opportunities for deeper faith and understanding of God's purpose.

Transcript

"And we know that God causes everything to work together for the good of those who love God and are called according to His purpose for them." Romans 8:28

The godly are able to put a sweet, a loving, and a favorable construction--upon the most sharp, distressing, severe, and dreadful dispensations of God, knowing that all flows from love, and shall work for their spiritual and eternal good, and for the advancement of God's honor and glory in the world. They know that there are no wrath, and curses, and woes wrapped up in these harsh dispensations of God.
