## Transcript

Text of what is worth living for. This is it. What? I mean, you know, people, Christian life is so hard.

And hard, it's momentary light affliction. And after that, what are you going to do? You need to start comparing. Once in a while, we need to wake up and realize, seriously, we've been adopted into the family of God.

He's made us sons. There is an inheritance at the end of this. There is a treasure in heaven.

Money bags, he calls it. Really, all of this, heirs, inheritance, riches, glory, the immeasurable riches of his grace and kindness. I'm going to be in his family.

He's bringing me into his house. He's bringing me on his throne. He's giving me a crown on my head.

I'm going to rule. I'm going to reign with Christ. I'm going to be a bride of Christ.

I mean, what? What?
