## Description

Watchman Nee emphasizes that touching Christ means accessing the fullness of all spiritual matters and blessings. He teaches that gaining Christ equates to receiving everything God has prepared for those who love Him. Without a clear vision of the all-inclusive Christ, believers may misdirect their sincere efforts towards teachings and virtues that do not lead to true spiritual fulfillment. Ultimately, Christ is the way, the truth, and the reality that believers must seek above all else.

## Transcript

When believers touch Christ, they touch the reality of all spiritual matters and things, and when believers gain Him, they gain everything that God has prepared for those who love Him. In Christ Is All Spiritual Matters and Things Watchman Nee enlightens believers to see that without a vision of the all-inclusive Christ, even their most sincere seeking after God can be misdirected toward gaining good teachings, positive virtues, and spiritual growth, all of which can be apart from the Christ who is the way, the truth, and the reality.
