...all of the prophets of Rome, and we are up to chapter 10, and we are going through from verse 1 to verse 13, verses 26, 47. We have many verses with pretty grammatical extraordinary even and very true. ...by eating the children and the sons of Rome.

...the whole country is in verse 10, isn't it? ...and our way is among you. So we are going through chapter 10. It is the part of this section that we entitle the Trinity Section.

You see, for any newcomer, we have a section of the trinity, the whole world. ...and in the next section, part of chapter 13, and then in chapters 6 and 7 and 8, we have the next section, the sanctification of faith. Yes, because those who are brought up into a place of justification, God expects them to live Godly.

...and we have the sanctification of peace with Israel. ...and the book will end with that. ...daily after faith.

...this portion of the evening, because, you see, in verse 1, and then in verses 2 and 3, we have Paul, and then we have Peter. ...so that right truth, we have principles of truth. ...now in the center of this passage, this evening, and then, and then we turn to chapter 7. ...we have Paul speaking of faith poverty.

This is very important for us. ...and then we have Paul's talk in heaven. ...and so that you can see what we've done to the Lord.

...and then we must put the beef off, of the meat. ...from this day forth. ...prayer for peace.

...for something that I've never got to see these days. ...many a little infusion. ...yet again and again through the never-ending mountain.

...if you come to... ...with revelation. ...let's get real. ...let's get to it.

...and it's not ignored. ...now he does say something that's dangerous. ...he says... ...you know, for some of you young people... ...and for that truth... ...I believe Paul's faith is improved.

...and you find that... ...for all of you... ...you find that truth within him. ...of the dream of God. ...you remember what I said to you when we started this section... ...of the dream of God... ...you notice... ...that he has... ...in his heart... ...you see, Paul... ...for his children... ...yes, God sometimes raised a name.

...do you remember his name? ...raised... ...sometimes... ...a family is raised by God. ...I have an old mother... ...and I'm always proud... ...he's got for the 17th of March... ...and I can sing my own party theme... ...night after... ...you know... ...there are people in this kitchen tonight... ...a very dear old lady in this kitchen... ...named Mrs.

McCormack... ...who has often told me... ...many times... ...she heard my mother lie... ...lying in her next room... ...she would hear her old wife... ...every one of the children... ...and they're all in shock... ...they'll be looking for you at seven in the morning... ...looking for you at seven in the morning... ...don't come crawling... ...and remember... ...it's commonplace... ...an oldist cop... ...would give us a virgin... ...for our children... ...poorest of virgins in the nation... ...we put our hands on the virgin... ...all that we might get a virgin for... ...my wish that the nation... ...my oldest cop... ...when they're stolen your heart... ...and now I've got... ...I'm giving it up... ...many important hearts in the country... ...that Paul... ...I'll tell you more...

...you'll notice... ...in my heart... ...is a positive... ...and good intention... ...care of the country... ...the school of Presbyterian... ...and the best... ...I could put off for the life... ...for the rest of my life... ...very well... ...so that you can see that Paul... ...has a virgin's heart... ...all this stuff here... ...I can take you back to... ...we had a bet... ...it doesn't look to me like that... ...and talk about loneliness... ...something in your brain... ...what am I going to do... ...ah yes... ...he's got this... ...he's a virgin's heart... ...he's a broken heart... ...he had a baby... ...he had a present... ...the love of God was shed abroad... ...remember the word in the Philippines... ...he said... ...my name is a beehive... ...beehive... ...so if you look to

that... ...on the ship series... ...I'm only trusting you... ...I'll trust you... ...he said... ...you know that was... ...you know he was really... ...oh the beehive... ...the beehive... ...they knew how to get it... ...he said... ...oh the pair of apples... ...you know what... ...I believe... ...we asked the Holy Ghost... ...the new power... ...whether you thought you were able to or not... ...no... ...oh... ...if you love the Virgin... ...you ought to have her... ...then you'll join me... ...you'll have to prefer me... ...now I want you to get this... ...it has venom... ...that's the thing isn't it... ...that is... ...I'm sure you... ...you're stuck... ...you know... ...you don't want to get in... ...you have to attempt to get in... ...you know you couldn't have any... ...watch this...

...this is it... ...in the... ...in the ocean... ...for the outcome... ...and you know he just prayed... ...he prayed out that night... ...just to counsel me... ...all this glory... ...anyway... ...look at this picture of... ...if you don't know what it means in Galatians... ...have a look at this... ...Galatians chapter 1... ...for death... ...for he has had... ...power beyond measure... ...wasted it... ...uncompetent... ...induced religion... ...being more... ...as seemingly... ...fairer... ...of the tradition... ...and that's what they're saying here... ...they're saying I

bear some hair... ..you know there's a whole bunch of people here... ..they're saying... ..there's terror... ..even when the pattern... ..you know there's terror... ..that's all right... ..you put the hair in

that picture... ..Paul has dropped out the book... ..the empty dead... ..lifeless religion... ..and it was totally finished... ..all you've got is a man... ..and a plate and a pot... ..and you'll go to hell for praying... ..and that's the zealousness... ..that it always turns out that... ..frankly they know what ignorance is about... ..but they know what ignorance is about... ..they talk to me... ..they say what is ignorance... ..and so I'm told they mustn't have done it... ..it says... ..that's the ambitiousness... ..then he raises it to the top... ..and he says... ..my... ..it was ruled upon... ..which whole life... ..put your name on it... ..you can have... ..try to teach another... ..you'll find others... ..I just lived in a place where I... ..not watching

it... ..Paul said... ..and we've got Paul... ..and I believe... ..now here's Paul's persuasion of God... ..he says in verse 4... ..this is the end of the law... ..Paul was persuasive about money... ..you see Paul... ..unreleased... ..to the people all the time... ..dear if you haven't... ..you're on your own then... ..and you can only... ..here's the whole message... ..for Christ... ..is the end of... ..to everyone that believes... ..let me explain... ..he says... ..Paul that's very powerful isn't it... ..he's not beating about the bush... ..and then this is very powerful isn't it... ..for Christ is the end of the law... ..that's Paul... ..it is not a... ..you would say... ..it's not even the... ..you see that's very pointed... ..very powerful isn't it...

...but I want you to watch this... ..that's very precious isn't it... ..when I'm God's way... ..I stand in the right way... ..but I want you to get this... ..for Christ that mistake doesn't... ..it's the end of the law... ..for righteousness... ..to everyone that believes... ..it doesn't matter where you pass... ..they never pass to you... ..it's your faith... ..it's Paul... ..then you stand in the right way... ..it's God's way... ..put faith in the God's name... ..and just pray... ..he says this is the life of Christ... ..it's the end of the law... ..and he's praying again isn't he... ..which... ..that's very precious... ..but really... ..if you know where it is... ..because normally... ..life and the world comes before your heart... ..and says... ..every one

of you from there... ..I'm not one of them... ..you remember the lady on the ship... ..that tackled Andrew... ..and she says... ..that she just sees the baby on the sun... ..is that how it is... ..did he ever say anything... ..that wasn't just exactly the truth... ..he just made a week ago... ..a million words this summer... ..did he ever say anything... ..did he ever just say... ..I'm not one of them... ..lady just... ..lady... ..doesn't need to look at the text... ..but the righteousness... ..but the righteousness... ..and you can hear he calls out to her... ..in verse 5... ..but the righteousness... ..but the righteousness which is of faith... ..is the righteousness... ..that we get... ..by faith... ..this is what... ..teachers are meant for... ..you know...

...if the coming of a minister... ..in your home... ..who shall ascend into heaven... ..that is to bring Christ down from the dead... ..you know... ..the righteousness which is of faith... ..is the righteousness... ..that you've got to make up... ..to be praying for Him... ..and then to speak again with Him... ..or verse 2... ..or move down to the deep... ..that is to bring up Christ again... ..from the dead... ..you know... ..the righteousness which is of God... ..always... ..my faith would say this... ..this is what it is... ..but what... ..the word... ..even in my mouth... ..the message... ..is my faith... ..in my mouth... ..and in my heart... ..that is... ..the message of faith... ..but now we're beginning to look... ..to change... ..of faith substance...

...to change... ..of faith substance... ..of faith... ..that is faith in faith... ..faith that means... ..it doesn't have... ..God's gospel... ..that's the truth then... ..that from Jesus... ..and the next verse... ..you see...

...can never be done... ..oh you don't get this... ..but believe... ..because if you see all that... ..that might happen then... ..not by fear... ..let's get it... ..let's get it... ..see if you've got it... ..it comes by... ..hearing... ..and you know... ..some of you are on the street now... ..say yes... ..I'm empty the woods... ..in your heart already... ..and you can't hold it... ..you can't hold... ..the message you have... ..you will be... ..closed in the... ..it will tell you... ..I certainly believe that... ..I'm not...

...you see... ..my confession... ..my days... ..before the shepherd... ..the days of the shepherd... ..chains from heaven... ..but that's the reality... ..whose fools were sinners... ..whose... ..I believe... ..the law of the chains... ..do you want to answer together... ..I confess... ..they come... ..I will not say God... ..came from... ..he says... ..may God bless you... ..you know... ..the moment that my heart... ..believed that God... ..raised him from the... ..the moment that he... ..by all the... ..chains I... ..in the water... ..God's power... ..I'll tell you that... ..the good God... ..the good God... ..no older lady... ..after faith... ..of... ..faithfulness... ..of his... ..they are on the faith... ..they are on the faith... ..fifteen...

...of faith... ..and they come... ..to him... ..because he says... ..it was Robin... ..church... ..says... ..who is to Robin... ..believers... ..on him... ..shall not... ..be ashamed... ..of the means... ..of this... ..for they do not... ..for the same laws... ..shall fall... ..speak the words... ..rest... ..the impending fate... ..the lies... ..now watch this... ..think of the... ..and then... ..think of... ..image of the... ..and now you see... ..the... ..offense... ..leap for courage... ..you don't need... ..leap for courage... ..and the power of the holy...

You see, this book, the Lord, now there's a patency in the writing, you know the Lord. He was more in the name of Christ.

He was more in the will of the wise beasts who with Him He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.

He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.

He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.

He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.

He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.

He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.

He was more in the name of Christ. He was more in the name of Christ. He was more in the name of Christ.
