Transcript

You all know that as Christians we are supposed to be witnesses on this earth to other people. How many of you knew that we are also got to be witnesses to the angels in heaven? What does it mean to be a witness to the angels in heaven? Have you thought of that? To be a witness to people on the earth, well, that's only when I see them. So long as I keep my life and my life good before them, I'm a good testimony before people because they don't see me all the time and they don't read my thoughts.

90% of my life they don't know. So it's easy to be a witness before people.
