## Description

This sermon delves into the spiritual realm where two ministries operate in the heavenlies: Satan accusing and pointing out faults, while Jesus intercedes and prays for individuals. It emphasizes that as believers, we align ourselves with one of these two sides, either working alongside Satan in accusation or partnering with Jesus in intercession and prayer.

## Transcript

Two ministries going on in the heavenlies. Satan, looking out to find something wrong in somebody and immediately talking about it and telling God about it. And Jesus, also seeing it and immediately praying for that person.

Father, forgive him, deliver him, set him free from that habit. Now, what I want to say is, all of us believers are on one of these two sides. We are either co-workers with Satan or co-workers with Jesus.
