## Transcript

There are many people today who bring an offering to God. Many of you sitting here, the very fact that you've come here, you're bringing an offering to God. Not money, I'm not talking about money.

We never talk about money in this church. We talk about giving our life. But Abel brought the best.

There are some sitting here who are bringing the best. I don't mean just this morning, but whose whole attitude in life is, I must give the best to God. Thank God for such people.

That is the core with which the church is built in every place.
