Transcript

You know, when I think of some people who have, say, treated you very badly, I've experienced many people who have treated me very badly, told all types of false stories about me. How do I feel about them? Do I wish that they go to hell? Oh, no. When I think of the people who have treated me worst in my entire life, the word that comes to my heart is 2 Peter 3:9. God does not want anybody to perish.

He wants everybody to come to repentance. Everybody, even those people who treated you so badly, God, you may not want them to come to repentance, but God wants them to come to repentance. So when you say, Lord, I want to be like you, okay, that means you want that worst person who treated you so badly, you want him to repent and become good.
