Transcript

Pastor called the servant back. Hey, I forgave you a million dollars and you couldn't forgive that guy ten dollars. You put him in jail.

Now I'm going to put you in jail and not only jail, you read that in the end of Matthew 18, I'm going to send the torturers to torture you. Those are the demons. Now what I learned from that is when God has forgiven you and you don't forgive one person.

If there's one person anywhere in the world whom you have not forgiven, you literally, you don't physically catch him by the throat, but you hold him. You say, I won't, I won't, I won't forgive him. You have a grudge against him.

I'll tell you something. The demons will be allowed to attack you.
